Dear Mike:

On the above date we received a telephone call from VHPA member L2886, John W. Quinn.

Mr. Quinn had read in the September, 1988 issue of the VHPA Newsletter under the Annual Business Meeting minutes that the membership had approved at the meeting Life Memberships for any Vietnam Era helicopter pilot who is 100% disabled and incapacitated.

Mr. Quinn is 100% disabled and is requesting information on this ruling. On September 12th, 1988 we received and deposited a check from him to convert his regular membership to a lifetime membership as is shown above.

I told Mr. Quinn that we would pass this information onto you. His address is John W. Quinn, [REDACTED] [REDACTED], phone [REDACTED]

Your attention to the above matter is most sincerely appreciated.

Best Wishes,

*Deanne Earwood*
