Assigned by: Board

Assigned to: David Owens

- Status:
1. working with IRS to complete paper work for tax exempt status. To be completed by 30 Nov.
 2. working with USAA to manage fund
 3. Meeting with manufactures and vendors at NBAA 18-20 Oct. I am trying to get a major donor at this convention so that I can make the announcement at the "Gathering" for maximum PR.
 4. article to run in next newsletter and in the show daily and convention news (HAI)
 5. working with AMM to develop fund raising methods

Progress is slow but steady. I still want to shot for an "89" award. We have enough money for the first year. Its catch 22; we have to have the money to award the scholarship and we have to have a scholarship program to get the money. I am working hard at doing both.
