

#### "WOC" Rock

I have sent the preliminary history to CW2 Kinman, WOC Hall of Fame curator. I have sent Mike McDonald an article for the next newsletter, requesting information so that Jay Fiske can write a complete history of the Rock. Jay Fiske will write the narrative and mail it to me. I will have it typed, mated and framed. Once this is completed (4-89), I will contact Mike Law and we can figure out who will go to Ft. Rucker for the formal presentation.

Cost: \$500 (document and travel)

#### Gulf Coast Chapter

I will be attending the October Feast in Houston. The organization meeting will be at 1330 hrs. Mike Clark and his staff seem to have everything under control.

---

#### Helicopter Society International

I have been invited to write an article for the Helicopter Society's magazine. This is an excellent opportunity to "show us off to the world". I will be submitting the article and photo's NLT 15 Nov. I need 6 camera ready photo's.

#### Reunion Book

Jay Elliott was working on the book. I called Paul Knudsen and set up an appointment for 20 Oct in Dallas to look at the proof. The book should be in the mail the last of Nov.

We need to give Phil Marshall an answer about Reunion 91.

#### Reunion Advisor

I think we need to create a position on the Reunion committee of adviser. This person will have detailed knowledge of all the Reunions. This will make us more cost effective and avoid reinventing the wheel. This person would also negotiate with the hotels, airlines and rent car agencies. The Executive Council

would pick the city and then the advisor would meet with Reunion Committee Chairman, select the hotel and get the chairman started in the right direction.
