RE: Application For Tax Exempt Status For Vietnam Helicopter Pilots Association

Dear Larry:

Enclosed are copies of the additional items which were requested by the IRS. I contacted the IRS agent in charge of this matter, and she indicated that there was no problem that the application might be received several days late.

I would like to draw your attention to several items on the estimated budget which I changed prior to submitting them to the IRS. The changes affect the balances forward for the 1985 and 1986 budgets. In the budgets that you had submitted to me, the balances forward did not include the amounts carried forward, so that the balances are increased to include the balances forward.

If you have any questions regarding this matter, please do not hesitate to contact me.

Respectfully,

WARNER ANGLE ROPER & HALLAM P.C.
