Gentlemen;

Having been a dues paying member of V.H.P.A. for quite some time now, I am most disappointed that you guys still insist on categorizing me as merely a "friend" not worthy of "bold type" designation.

Therefore please find enclosed a check for a life membership, which hopefully will cure the problem.

Keep up the good work and a big "Hello" to all the "Little Bears" out there.

Sincerely,

Greg Foster
