Addendum to Proposal For
RE: 1991 Annual Convention VHPA

Dear Greg:

It was good talking with you again yesterday, and I am hopeful that with the following items, you will select the Nugget Hotel for the 1991 Annual Convention of the Vietnam Helicopter Pilots Association.

1. The Nugget Hotel will guarantee the use of our new indoor-outdoor health facility pool area for a reception on the night of your choice during the 1991 Convention. Please note that the VHPA is not committed to utilizing this facility, although the Nugget Hotel is guaranteeing the private use of the facility if you so choose.
2. The Nugget Hotel will guarantee that standard brand cocktails at the present 1990 price of \$2.25, as well as the domestic beer price in 1990 of \$1.75, will not exceed a 10% increase for your convention in 1991. Please note that these prices are for a private, catered function and are not prices that are quoted in the public areas of the hotel at our casino bars. Typically, prices at the casino bars will be less than prices quoted for a private social function handled through catering. The final prices quoted to you for 1991 could end up to be less than 10%, but are guaranteed not to exceed 10%.

Greg, as we discussed, these were the two points that were of major concern for you. Hopefully the Nugget Hotel's guarantee regarding these points will eliminate any concerns you still may have about our desire to be of service to you and the Association.

Should you have any questions, please do not hesitate to call. In any case, I am looking forward to working with you on the 1991 Convention and I sincerely believe that it will be very successful here at the Nugget.

Sincerely,

Dick Mauer
