

**52d Combat Aviation Battalion Association**  
*for those who served*

To all Former Members of the 52d CAB, and assigned and attached units Camp Holloway RVN

Almost three years ago I started looking for former members of the Security Detachment of the 52d CAB. While not having much luck in that area I was being contacted by many members of the Battalion at large wanting to know about a possible Bn. reunion. So I said, why not, it made more sense to look for between 10,000 and 20,000 folks than it did looking for 700 to 1000. For over two years now we have been advertising for and seriously looking for former members of the Battalion.

We are now planning a reunion for the Battalion in October of this year. This is not going to be some professional association meeting of a peer group. It's for the Whole Unit, from former Battalion Commanders, to the cooks, truck drivers, and orderly room clerks. This reunion is for us to get together, let what hair we have left down, and tell tall tales, remember old friends, see how we have all changed and what we have become. So whether you flew the birds or fixed them, supplied them or protected them at night, we all were a part of one of the largest and most powerful Battalions in the army during that time frame. We all have a lot in common to talk and reminisce about. So please try to attend.

But even if you can't attend please return the enclosed data sheet with the information asked for so that we can place you on the Battalion Roster. This is so we can send you a copy of the Bn. newsletter Dragon Flight, which will also keep you informed of any upcoming events.

Thanks

Vernon G Gano Jr.  
Reunion Coordinator
