Mike

I Found Bob Witham's Address.

I would maybe write him before mentioning
any thing about any thing on stories or
any activity while flying U.I.P.'s around.
I'm sure some things are or should not
be disclosed.

As far as I know Bob is still
in the U.S. Army flying fixed wing. And
still flying U.I.P.'s around.

Keep in touch.
Enjoyed the letters
and in R.

Bill Linn.

Only trace # I can
remember is...!
