Re: Additions to KIA Section of
Membership Directory

Gentlemen:

As a relatively new member of VHPA I was pleased to receive my 1986 Membership Directory and review the pilots listed therein.

It's extremely sad and unfortunate that we have to list any of our fellow pilots and friends in the KIA/MIA/DECEASED section of the Directory; however, since such a section exists and since these friends did pay the ultimate price of freedom, I would like you to add the following Alligator to the KIA list: WO Robert L. Storey, 119th AHC, 68/11/21. Additionally, please note that WO Martin Givin who was killed in the same action is listed in the directory on page 71. You may wish to add his unit as the 119th AHC. Thank you.

Sincerely,
Wm. L. Weaver
