

Greetings from the VPHA:

I want to thank each of you that have responded to the direct mail campaign and the various magazine items that have appeared. The organization is still at the "grass roots" level in that my wife and I are doing most of the work from our home. The interest shown by all of you is most encouraging and serves to reinforce our desire to get the VHPA up and going.

Our goal is to be a large organization like the River Rats (Viet Nam Air Force Pilots) or China Hump Pilots, with a reunion for all who would like to attend. At the current time, no membership fee or dues are requested. At our first reunion, we plan to elect officers, establish by-laws etc. The VHPA is for all branches of the service, however, most of the members are expected to be U.S. Army.

In the future I will publish a directory of names, addresses and class numbers of the several hundred who have written, but first I want each of you to "get the word out" to any possible VHPA members that you know. Many of you must be members of the Army Reserve, National Guard, VFW etc, or you work with other pilots who have not been informed of the VHPA. Therefore, make copies of the member information sheet and pass it along to your friends.

I will be attending the HAI convention in Las Vegas (January 19-22, 1984). Any of you that will be there, please let me know so that we may get together.

Sincerely,

Larry K. Clark

Second letter
we sent out.
