Dear Mike;

Just a short note to let you know that Dolph Todd, the editor of our news letter, has moved from Calif. to New Orleans. The newsletter will be delayed by at least 3 weeks until he gets his feet on the ground. So the rush is off to get all of the data entered into the data base. I do not have a new mailing address for Dolph at this time. As soon as I do I will pass it along to you.

Enclosed are more letters that we have received here in Phoenix. All of the request for information have been sent on to Mark Hansen in Seattle. I am sure that after the newsletter is out we will see the mail pick up again.

Sincerely

A handwritten signature in cursive script, appearing to read "Larry & Terrie Clark".
