Re: FM

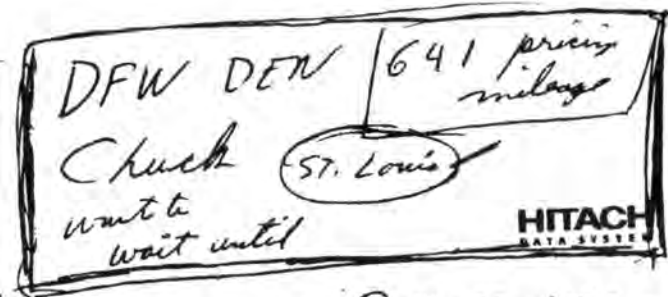

Mike,

I was correct. FM with Charlie Jones was Filipino who lived on him sketchy but I figure it is not too important for your recd was a non-American who did not die. If you want or need mo this let me know and I will ask a few other guys about it.

I have also asked a friend to confirm Abadie's e-mail, but no a yet. Did you try him yet?

Pepper me with any questions at any time.
