Guys,,,,,,,,,,,,just a note to let you know that the most recent Newsletter issue, especially the color photo cover, is GREAT.

Additionally, I finally got a briefing scheduled with the USAF HQ Personnel Center MIA folks next Wednesday, 18 Mar 98, 1400 hours. They have all the data on their folks from Vietnam. They wanted to wait until 18 Mar as one of their main research personnel will be back from a research excursion this coming weekend.

I had purchased a 1996 VHPA Directory last year when we talked about this and I will be giving it to them for their use. From that point on they will allow me as much access as they can to Vietnam USAF helicopter pilot records. If they want more current directories, they can either buy them or ya'll can give them one. Heck, I didn't even get my 1997 one.

I missed my July 97 member renewal as I also missed the reunion. Was 2 months late on getting my dues in. Did not receive a 1997 Directory but I got renewed in Sep. Purchased one today so that will fix that problem. Margaret was great to deal with. My additional directory order last year took 5 months to get.

Sorry for the delay on this but several medical problems last year, and a subsequent heart attack this Jan, has not allowed me to get a whole lot of things done. Doing ok now and will get back with you as soon as I can. I know Gary is wanting this info and I apologize for the lateness of getting started on it.

Sincerely,

Louis Rochat
