Cincinnati, Ohio 45202

Dear Mike,

My name is Russ Warriner and I was a crew chief in Vietnam with the 2nd 20th arty (ARA) 1st Cav 1967-1969. A few months ago I took on the job of writing for my old Unit. I have an old copy of the VHPA membership 1991. I was wondering if there is a way I could get a new issue of it because it has been a lot of help in getting in touch with members of my old unit for the writing for the Saber. The other thing is that I am using a IBM pc and if there is a disk with the guys from my old unit, I am looking for that kind of info. Even if all I got was a list of who was in my old unit and when it would be a big help. I have been in touch with some of my old pilots and a few others that were in it at other times.

I thank you for any help you may be able to give me on this. Enclosed are copies of some of what I have written so far. I hope you enjoy these.

Sincerely,

*Russ Warriner*
