Mike Law:

Enclosed DA 1352, 21 Mar 1968 shows

2 - CH 47A, 65-7987 and 65-7988, plus
2 - UH-1D's, assigned to 540th Trans Co.

In addition, from the time I arrived at the
540th in December 1967 til I left in
August 1968, we also had the exclusive
use of a third Chinook ~~third~~ Chinook,
CH-47A # 64-13113

There was a crew assigned to it, and we
used it as much as the other 2 - assigned
Chinooks.

I do not know what authority allowed us
to keep it.
