

NOTIFICATION OF NEXT-OF-KIN
(To be filed in individual 201 file)

USARV Regulation 600-1, Casualty Reporting requires that you indicate in writing whether or not you desire your next-of-kin to be notified in the event you are lightly wounded while serving in Vietnam.

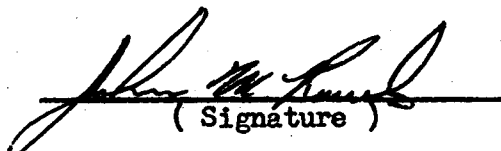

Complete and sign the statement below. Consider your choice carefully. If you DO NOT desire your next-of-kin notified in the event you are lightly wounded, you must inform your next-of-kin immediately that you have made such a request.

You may change this statement at any time during your tour.
