Vietnam Helicopter Pilots Assn
P.O. Box 9592
ATTN: Database/Records Committee
Wichita, KS 67277

Dear Paul,

I attended the convention in Fort Worth earlier this month and picked up one of your letters regarding your need for information to build the database. Since my wife is even more of a packrat than I am, she had saved the graduation programs from both Ft Wolters and Ft Rucker. I am enclosing copies of these programs. I hope they will be of some use to you.

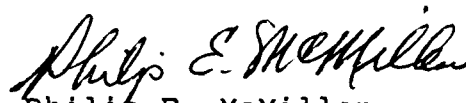

The programs are for classes 68-3, 68-4, and 68-503. I was a member of 68-4 until about two weeks before graduation. Following a medical grounding I was assigned to 68-503 and completed the course with the WOC's. Most of the officers who are listed on the 68-503 roster were from 68-4.

I also noticed a list of aviators who died in Vietnam listed by class at the convention. I noted the absence of the name of 1LT Fred O. Pratt of 68-4. Pratt Hall, the flight simulator building at Ft Rucker, is named in honor of Fred Pratt.

Is the Peter Barber on your committee the Pete Barber who worked in the Advanced Division Operations, DUFT, at Lowe Field in 1977-78? If so, tell him to drop me a line.

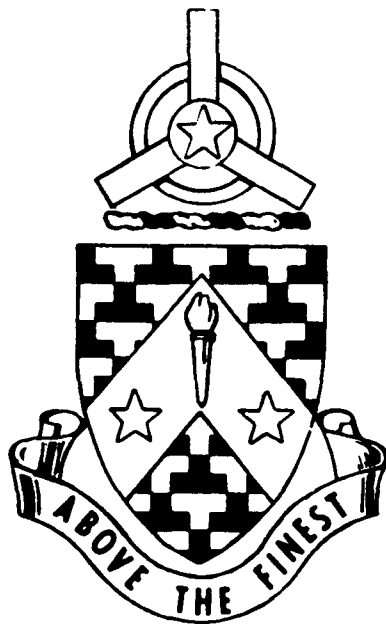

If I can be of any further help, please let me know.

Sincerely,

Philip E. McMillen
Major, USA Ret.
