P. O. Box 9592

Dear Sirs:

I enclose for your attention a number of sets of orders in my possession.

The majority of these orders relate to persons serving on flight status either during my flight training, my tour in Vietnam, or my return assignments in the United States. These are people who are potentially members of our Association or who may be listed in the directory as friends of the Association.

I am sending this information in response to an article or letter which I received some time ago associated with this organization.

I have taken a ~~red~~ pen and made marks beside those named individuals who I know or believe did in fact serve as helicopter pilots in Vietnam. Others may or may not have served; I am simply not able to recall their particular status at this time.

I hope this is of some help.

If I can be of any assistance in any regard in the Southern California area, please do not hesitate to contact me.

Very truly yours,

Thomas V. Pratt
