VIETNAM HELICOPTER PILOTS ASSOCIATION
P.O. Box 9592
Wichita, Kansas 67277

First and foremost, I am glad to be a part of the VIETNAM HELICOPTER PILOTS ASSOCIATION. It's too bad I was unaware of your existence earlier (especially since BLUE GHOST was previously a topic at ~~your~~ OUR reunion).

Like many others, I had a tendency to shelve the "Helicopter War". However, as the years passed, bits and pieces came back and I thought about the bond that existed between the pilots and crews.

With this in mind, I began a search to track down fellow pilots. As the process continued, names and faces surfaced that had been lost with the passage of time.

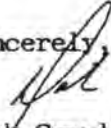

Gradually, contact was established with others and, with their assistance, the roster continues to grow. (A desire last year to wish a few "Happy Holidays" has turned out to be an ongoing project.)

I have attached a "BLUE GHOST" roster, as it currently exists, for your use in the maintenance of your data base.

Any contributions from VHPA members in adding to the roster will be greatly appreciated.

Again, I am glad to be a part of the VHPA and I would be more than happy to assist the organization.

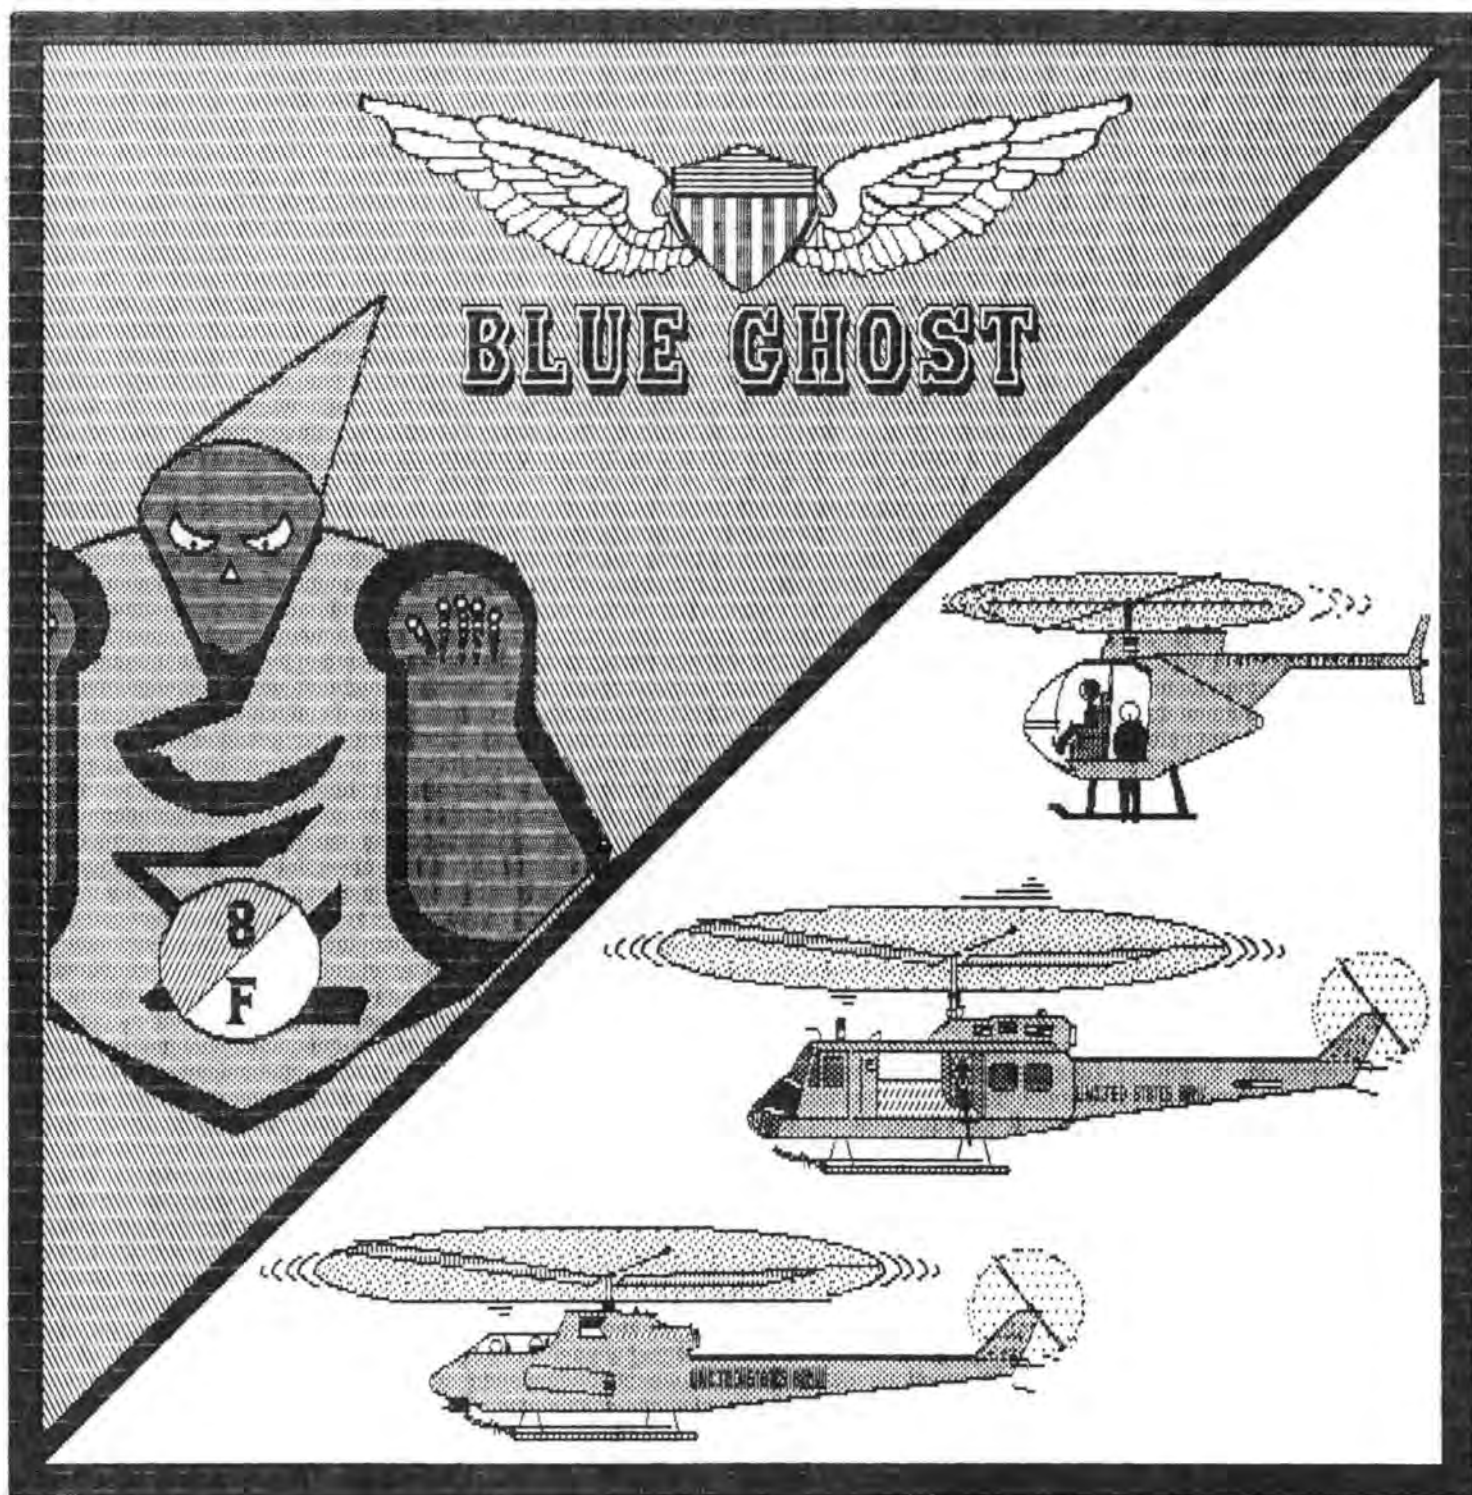

Sincerely,

Dick Crawley
"BLUE GHOST GREEN"

P.S. In addition to the roster, I have enclosed some original computer art as a thanks for remembering the BLUE GHOSTs of years past.
