Vietnam Helicopter Pilots Association  
c/o Mr. Mike Law, Past President  
[REDACTED]

Dear Mike;

Just a short note with an enclosure that you might find helpful.

Enclosed is a copy of the latest list of aviators (except for myself) of our squadron, from it's Vietnam Service tour. This tour started in the fall of 1966 and lasted until the squadron came back to Santa Ana in the summer of 1971. All these men were aviators at some point during our tour. The squadron, HMM-262, was based out of Ky Ha (near Chu Lai), then on to Marble Mountain, then on up to Phu Bai, then Dong Ha, back to Quang Tri, and once again at Marble Mountain. There was a brief time - from Sept 1967-December 1967, when we were aboard an LPH, with some time in PI, then on up to Oki, before our return to Dong Ha and TET '68.

I do not know how many of these men are members of VHPA - but I think a 'join up card' to them might round up a few new members!

I hope this helps the association in some small way. Hope you and the family are doing well, as usual I stay busy. Take care.

Dau tranh;

Sneaky

CH-46A or D-?
