SUBJECT: 229 AVIATION/TAYNINH

Would Like to Hear from Anyone who was at Tay Ninh from 1969 to 1970. I have been trying to piece together that year as all my paper work says I was there, but I can't remember any of it except the name of one pilot " Mr. Clean ". I can't advance in therapy until I find some answers. Anything will be of help, hopefully.... Wild Bill, 229th Assault Helicopters.
