Dear Mike,

Sorry this is so slow in coming, but I have been "wrapped around the axle" so to speak, this is that time of the year!

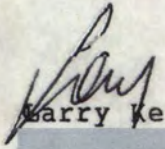

Thank you for the calendars, they are very nice. I am passing out the word and showing them to all those I think would be interested, along with all those I know who served.

Hope you can make it down for the Reunion, and join in the fun! We have a good time, and you are MORE than welcome. Bring your crash helmet, or a steel pot because the combat stories get pretty hairy at times. Also...as you well know...being around aviators at times the BS gets pretty deep so you may have to roll up your pants. All in all though they are a great bunch of people and I look forward to each year.

This year will be the first in 25 years that I haven't been involved in the Committee, so I am looking forward to just having a good time.

We hold our Reunion at Rucker each year for several reasons, the main one being that this is where everyone started out, and a lot of us ended up. Another reason is that we can host it for a nominal fee. We have been able to hold the cost of the events down to where you can come and enjoy ALL the events for \$60.00 per couple!!

Hope you can see your way to come and join us!
