Dear Mike:

Thank you for the calander. Enclosed is my check. You had also asked for something on the 166th AMD.

Here is a copy of the original orders assigning me from Ft. Rucker to Ft. Eustis to the 166th. They cancelled my leave and I reported there o/a 6 June. We departed for Nam on 7 July 1969.

Also enclosed is a copy of the graduation roster for class 66-15 and 66-16. You will note that it is different from the list in the directory. Somewhere I have a copy of the Ft. Wolters graduation roster and when I find it I will send it along. Have also included a copy of the 1988 Otter/Caribou Assn roster. It contains a source for possible VHPA membership. I'm positive some of them have passed on or have moved but it may have some use. If not trash it.

I still have to drag out my projector and slides and also see if I can find some pictures here at Bell that may be of use to you for the calander or newsletter.

Keep in touch.

Best Regards,
