RED DOG

Unless it was changed after I left in 68, I believe that this should be the 11th CAB rather than CAG as listed. The 11th CAB at Phu Loi was part of the 12th CAG, **BLACK JACK**, listed on page 167. Below are their respective insignia.

11th CAB

Please don't think I am "sharpshooting" the Historical Reference Directory. I think it is an outstanding document and you, Mike and all involved did an excellent job.

Gary, I hope this info helps some. I would appreciate a Crew Chief/Gunner KIA list for the 128th AHC from your data base if possible.

I will try to get some of my graphics together on floppy in MS-Word format for you. I'll try to get it to you at Philly if not before. Thanks again for all your work on the VHPA data base. I know you have spent many, many hours on this.

Sincerely,

A handwritten signature in black ink, appearing to be the name "Jay". The signature is written in a cursive, flowing style with a large initial "J" and a smaller "ay" following it.

I like the detail in my UH-1 in my bumpersticker but my VHPA logo needs some work.

Let me know if you need any graphics or if I can create something VHPA needs
