Dear Mike,

Thanks for returning the photos. Enclosed are a couple of bucks to help with the postage.

I am missing 4 or 5 slides I sent in an envelope to you, plus, one large photo of the Crane sling loading a Caribou (Al Gajan was flying). I know you are busy, but if you can find time to search for them I would appreciate it.

You are doing a great job with the directory. Everyone I talk to seems to know you and mentioned the fine effort and leadership you provide to the VHPA. I hope to meet you in Orlando or if you are ever near Hot Springs look me up. I won't be able to put you up in the Lincoln Room, but we will treat you and your family right.

Regards.
