The HORNETS

From Tom Pool,

Since we are not an official alumni, we cannot request dues for the printing, typing, and mailing of our newsletter. It had been stated, that this was in the works, but none of the information has reached me. I will do my best, as time permits, to follow through and get this done. It will depend on what is required. We must rely on your donations for the newsletter and any other cost. Please make the checks payable to Tom Pool and the money will be deposited in a checking account, and a copy of all transactions will be available to you upon request. In the mean time we need someone or several people located near each other, who can produce the Beeline. They should have an IBM/pc or compatible. This is a very time consuming job. My wife and I have spent a lot of time answering letters and phone calls. I enjoy doing it, but I don't have enough time to do it justice.

Al Sever found out Jerry Ockinja, in Wyoming has MS and if you would like to write him, contact Al Siver, [REDACTED]

Dear Abby,

I have a problem.
I have two brother. One brother flew with the Little Bears;
The other was sentenced to die in the electric chair. My Mother died from insanity when I was three years old. My two sisters are prostitutes, and my father sells narcotics. Recently, I met this girl who was released from a reformatory where she served time for smothering her illegitimate child to death. I love this girl and want to marry her. My problem is this: Should I tell her about my brother who flew for the Little Bears.

Very truly yours,
Joseph Skarda

LTC Edmund E. Hughes III, Commander, Task Force 118,
18th AVN Bde,

Ft. Bragg, NC. 28307

Sent the following information:

TF 118 has been deployed in the Persian Gulf since Feb 88, flying the Armed OH-58D. TF 118 became the 4th Sqd 17th CAV (AIR) (RECON) 16 Jan 91.

The following was suggested:

Donations-Dues (\$10 - \$15) per year for newsletter.
Have a reunion every 2 years-Alternate east coast/west coast.

Include a section for the maintenance group both company and detachment.

Use different Hornet/ Stinger journalists that are located in different areas to collect data for beeline and mail to central source.

Date for reunion. Places for reunion. Need writers to collect data.

Thanks for contributions from:

B. W. Addy
Jerry L. Wisdom
Carroll G. Dyson
Ben Booth

To those who would like VCR tapes of combat, plus the last two reunions, contact:
