Mr. John B. Konek
[REDACTED]

Dear Mr. Konek

This is the third interim response to your 14 April 1994 Freedom of Information Act (FOIA) request for a copy of various Air Rescue Service (also known as Aerospace Rescue and Recovery Service) histories and end of tour reports.

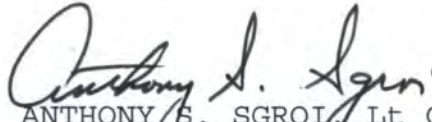

Portions of the requested documents are releasable and attached. They include 3d ARRG histories, dated 1 April - 30 June 1968; 1 July - 30 September 1968; 1 October - 31 December 1968; 1 January - 31 March 1969; and 1 April - 30 June 1969. The portions not released are exempt from disclosure under the Freedom of Information Act, Title 5, United States Code, Sections 552(b)(1) and (b)(5). Classified portions of the histories have been redacted because the release of this information could reasonably be expected to cause damage to the national security. Three additional documents contain opinions and recommendations of Air Force personnel and are considered interagency or intra-agency memorandums; disclosure would reveal the deliberative process of the government and would compromise the process by which governmental decisions and policies are formulated.

If you decide to appeal this decision on this portion of your request, write to the Secretary of the Air Force within 60 days from the date of this letter. Include your reasons for reconsideration and attach a copy of this letter. Address your letter as follows:

Secretary of the Air Force
THRU: HQ ACC/IMC (FOIA)
230 E Flight Line Rd Ste 108
Langley AFB VA 23665-2781

Air Force Instruction 37-131 provides that fees be assessed for providing these documents; however, the fees are waived in this instance.

Sincerely

A handwritten signature in dark ink, appearing to read "Anthony S. Sgroi". The signature is fluid and cursive, with the first name "Anthony" being the most prominent.
