Dear Mr. Konek

This is in response to the Freedom of Information Act (FOIA) request (#99-0019) of 10 August 1998 concerning Master Sergeant William C. Sutton.

Attached is a Loss Information Sheet on Sergeant Sutton which provides the circumstances of loss and is available to the general public. Since his remains have not been recovered and returned, his records do not reveal an exact cause of death. We are unable to send the letter (determination memorandum) you requested because the status of Sergeant Sutton was not changed to deceased under the provisions of the Missing Persons Act. On 26 March 1970, his commander determined that he died on 28 January 1970 and changed his status to deceased.

If you interpret this "no records" response as an adverse action, you may decide to appeal this decision and write to the Secretary of the Air Force within 60 calendar days from the date of this letter. Include in the appeal your reasons for reconsideration and attach a copy of this letter. Mail to:

Secretary of the Air Force
