## Vietnam Veterans Cartoons

Dear Fellow Veteran;

Recently, I have initiated a website to sell Vietnam cartoons and generate funds to help veterans. A minimum of 50% of all profits from this project will be donated either to the VFW or American Legion.

So far, the cartoons have been extremely well received by many Vietnam veterans. Many plan to frame the prints for their homes. My biggest challenge is to get the cartoons viewed by Vietnam veterans for their consideration. I believe this would be a welcome service to your association members. The website includes nearly 60 different cartoons, both Army and Marine. I developed some cartoons specifically for each Army division and separate brigade that served in Vietnam. The site can be found at [vietnamveteranscartoons.com](http://vietnamveteranscartoons.com).

I am asking for your assistance to help me offer these prints to your members and help in raising donations. My two specific requests are as follows:

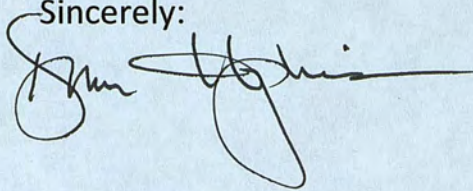

- Enclosed is a black and white advertisement in several sizes. I ask that you consider including this advertisement in your association newsletter and/or on your website for at least one year. The cartoon website could even be a link on your own site.

You may also want to consider buying "special edition" cartoons for all of your members that attend a reunion. Likewise, t-shirts can be ordered in bulk (over 50) with a cartoon and your unit information printed on the shirt.

Thank you in advance for your consideration in assisting in this project. If I can help your organization, please do not hesitate to contact me per below. I would appreciate it if you would let me know (email/note/phone) whether your organization will help with this project.

Sincerely:
