## LETTER FROM THE EXECUTIVE COUNCIL

Dear VHPA Member:

With great pleasure the Executive Council presents the ninth edition of the VHPA Directory. 1992 has been an OUTSTANDING year for the VHPA and certainly this Directory is one of the success factors. Our total membership passed through 6,400 on 14 August, this year's Directory cutoff date, and 74% are current with their dues, so over 4,800 pilots will receive a copy of this Directory.

1992 can best be described as the "Year of Associations" for the VHPA. Following on the pattern of our successful relationship with HAI, we re-established a relationship with AAAA and AHS this year. Over 200 new members joined and more than 600 other members were seen as a result of our attendance at these functions. The VHPA was also represented at a number of other Reunions such as: USAF Helicopter Pilots, USMC Vietnam Helicopter Pilots Reunion, and Vietnam Helicopter Crew Members Associations (VHCMA). The "crown jewel" for the year was, of course, our July Reunion held in Atlanta. Over 1,400 pilots, family, and friends, attended the closing banquet and just short of 1,000 pilots visited at some time during those four fun-filled days.

This edition's cover photo "dedicates" the 1992 Directory to all those of flew in Air Cavalry Troops and Squadrons; but specifically the 7/17th CAV. This "dedication" is for the thousands that flew and fought as the "eyes and ears" for larger combat units and as the "super quick, self-contained, ready reaction force" for many a unit in trouble. There is also an "Honor Roll" near the end of the History Section that attempts to pay tribute to the hundreds that died in Air Cavalry operations during Vietnam. More than 100 VHPA Members and Potential Members contributed to the History Section presented in this edition and this is just another example of the success of the VHPA. Collectively we can produce something that can be done no where else!

Again this past year both the Data Base and Historical Committees did an outstanding job of advanced their research and documentation efforts. For the second year running, about 50% of the KIA/MIA data was updated and the collection of flight school data greatly expanded. Our inventory of unit history material jumped several 100% this year. Again, collectively we can build something that can not be done anywhere else!

The Directory Committee takes pride in presenting the first ever index to a VHPA Directory as well as a reader questionnaire. We do hope each member will take the time to complete the questionnaire and return it to the VHPA.

In closing, please remember that the VHPA is only as good as we make it!! Your comments, suggestions, additions, corrections, address changes, information on other Vietnam Era pilots (living or dead), unit histories, copies of Vietnam Era orders and flight class rosters, articles for the Newsletter; they are always welcome. Hope to see you at AAAA, AHS, or HAI '93 and, of course, at our 10th Reunion in Phoenix in July!!

Your Executive Council

### FRONT and BACK COVER PHOTOS

The front cover photo of the OH-6A was donated by Kirk Curran who flew with B Troop, 7/17th Cav during 1969 and 1970. The front cover photo of the AH-1G was donated by John Kawa who flew with C Troop, 7/17th Cav in late 1968. The UH-1H (Command and Control) photo on the back cover was donated by Kirk Curran. The OH-6A photo on the back cover was donated by John Kawa. The 8mm film strip of the UH-1Hs was donated by Tom Galyean who flew with the Lift platoon in A Troop, 7/17th Cav in late 1970 and early 1971. The photo of the sign was donated by Terry Glover who during 1968 and 1969 deployed with C Troop, then commanded both HHT and A Troops, 7/17th Cav. The photo of the Honor Memorial and the base camp were donated by George Murry who was commanded the 7/17th Cav in late 1969 and early 1970.

Bob Snead was kind enough to draw some new cartoons and to adapt cartoons from in his book "Hours and Hours of Boredom" for this Directory. He has an unusual gift to visually portray many things most VHPAers experienced in Vietnam. His cartoons are a new and interesting addition to the VHPA Directory.

Please refer to the References and Credits for a complete list of all those who contributed to the 1992 Directory.

## SECTION IV - Members and Potential Members

The following roster is an alphabetical listing (by last then first name) of all 8397 living helicopter pilots that flew in Southeast Asia during the Vietnam Era known to VHPA as of 14 August 1992. These 8397 pilots include 535 Life, 5888 General, and 1974 Potential VHPA members. The data for the 44 pilots that passed away after joining VHPA is listed in Section VII - Deceased. All VHPA members that are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined VHPA (Potential Members) appear with their names in normal print. The names of all pilots, Members or Potential Members, appearing in the Directory for the first time have their names underlined.

VHPA needs the assistance of all members to keep this roster accurate and to reach the goal of having ALL LIVING VIETNAM ERA HELICOPTER PILOTS included in this roster. For example if you see a friend in this roster who's address is marked with a question mark (VHPA's mail is being returned) and you have a current address, please send it to VHPA Headquarters. If you know the name and address of a Vietnam Era helicopter pilot not included in this roster, please send it to VHPA Headquarters.

**THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.**
