LETTER FROM THE EXECUTIVE COUNCIL

Dear VHPA Member:

With great pleasure the Executive Council presents the tenth edition of the VHPA Directory. 1993 will join the ranks of OUTSTANDING YEARS for the VHPA and certainly this Directory is one of the success factors. Our total membership passed very near 7,100 on 13 August, this year's Directory cutoff date, and 62% are current with their dues, so over 4,400 pilots will receive a copy of this Directory.

Several noteworthy goals were achieved in 1993. The VHPA strengthened its relationship with several major helicopter related Societies (AAAA, AHS, HAI, NAS) and several Vietnam related Associations. The Newsletter moved to six annual issues. Two membership promotion / renewal bulk mailings were used for the first time in several years. Our Tenth Reunion in Phoenix had several "firsts": co-located with the Vietnam Helicopter Crew Members Associations (VHCMA), formally supporting Mini-Reunions and Seminars, taking good advantage of the sports theme, some major pool parties. Almost 1,200 pilots, family, and friends, attended the closing banquet and about 900 pilots visited at some time during the Reunion.

This edition's cover "dedicates" the 1993 Directory to all those of flew in Air Ambulance units and the History Sections extend the "dedication" to the US Navy HA(L)-3 Squadron. Although most helicopter pilots pulled their own "Dustoff" missions at one time or another during their tours, certain units were committed to medevac mission exclusively. Even though these crews suffered higher than average losses compared to other helicopter units, the pilots who flew these missions felt great satisfaction in their efforts and deep heartfelt appreciation from those they were able to pull from peril. The HA(L)-3 Squadron was a "close cousin" to many Army helicopter units. The HA(L) pilots have been some of oldest and strongest VHPA supporters. The History Sections also include some new information about Songs and After Action Reports.

The Directory Committee thanks all those who returned last year's reader questionnaire and hopes this edition reflects the changes requested. The most obvious improvements are the three new indices (combat unit, location and branch of service) that complement the flight class index added last year.

Finally, the Executive Council sustained the Directory Committee's recommendation to make available Reference Edition #1 and a VHPA Calendar this year as announced on the mailing address sheet. We do hope each member will take advantage of these new items.

In closing, please remember that the VHPA is only as good as we make it!! Your comments, suggestions, additions, corrections, address changes, information on other Vietnam Era pilots (living or dead), unit histories, copies of Vietnam Era orders and flight class rosters, articles for the Newsletter; they are always welcome. Hope to see you at AAAA, AHS, or HAI and, of course, at our 11th Reunion in Philadelphia in July!!

Your Executive Council

The front and rear covers contain copies of VHPA Member Tom Murphy's pocket patch and pin collection from various Air Ambulance units. While Tom is interested in patches from all Vietnam Era aviation units, he is especially interested in the Med units that he does not have (e.g. the 68th, 159th, 236th, 237th, and 498th). Please contact Tom should you have one of these patches. Tom put the 45th patch on the front in honor of his flight school roommate, Steve Losorwith, who flew for and was himself medevaced by the 45th. If anyone knows Steve, please ask him to contact Tom.

VHPA Member Marty Heuer provided the air photo of Lane Army Heliport on page 211 plus the "Then" and "Now" photos on page 212.

VHPA Member Phil Marshall provided the great DUSTOFF photo of the page 217 that heads that History Section. Via Bill Greenhalgh, VHPA Member Bruce Nelson, provided the photo of Bob Horst that appears on page 229.

The VHPA's good friend, Philip Chinnery, the British Aviation Author, provided the HA(L)-3 photos that appear on pages 162, 234, and 235.

SECTION II - Members and Potential Members

The following roster is an alphabetical listing (by last then first name) of all 9,565 living helicopter pilots who flew in Southeast Asia during the Vietnam Era and were known to the VHPA as of 13 August 1993. These 9,565 pilots include 566 Life, 6,463 General, and 2,536 Potential VHPA members. This roster has 1,168 more names than the 1992 Directory; an increase of almost 14%. The data for the 62 pilots that passed away after joining the VHPA is listed in the Deceased roster. As a result of the 1992 Directory Questionnaire, the Life Member roster does not appear in the 1993 Directory. Instead each Life Member is identified with a large* following his name. All VHPA members that are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. The names of all pilots, Members or Potential Members, appearing in the Directory for the first time have their names underlined.

The VHPA needs everyone's assistance to keep this roster accurate and to reach the goal of having ALL LIVING VIETNAM ERA HELICOPTER PILOTS included in this roster. For example, if you see a friend in this roster who's address is marked with a question mark (VHPA's mail is being returned) and you have a current address, please send it to VHPA Headquarters. If you know the name and address of a Vietnam Era helicopter pilot not included in this roster, please send it to VHPA Headquarters.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.
