## COVER PHOTO ANALYSIS

VHPA member Mike Slonkier has spent countless hours searching Cliff Whiting's pictures of FSB LOLO which were most likely taken on the afternoon of 5 Mar, 1971. Mike talked to over 20 "LOLO veterans", listened to tapes of radio transmissions, collected copies of a dozen "LOLO photos", consulted Defense Intelligence Agency material and the VHPA KIA/MIA data, and read numerous After Action reports. The notes on this page summarize the events of March 3rd - the initial assault of LZ LOLO.

**A** WO Gary Arne, Rattler 23, 71st AHC, flew UH-1H #67-17269, the first aircraft shot down. He was Chalk 2 in the initial assault. The tail rotor was shot out on final, he lost hydraulics, and the engine quit. The Huey was skewered on a broken tree. The crew was evacuated that afternoon.

**B** 71st AHC UH-1H #69-15358 was Chalk 4 in the initial assault and the second aircraft shot down. The CE was Will Fortenberry but the names of the other crew members are not known.

**C** WO Robert Morris, Comanchero 39, A/101 AHB, flew the third aircraft forced down during the initial assault. The aircraft caught fire after they had dropped off the ARVN. Knowing there were no friendly bases nearby he returned to LOLO. They were streaming fuel and had other battle damage when they landed but the fire was out. Many believe this Huey was retrieved from LOLO on the 5th or the 6th. The crew was evacuated that afternoon.

**D** CW2 John Gale, Comanchero 14, A/101 AHB, flew UH-1H #67-17720, the fourth aircraft shot down. He was Chalk 18 (the 8th Comanchero) in the assault. They took heavy fire, especially on the right side, during the approach and caught fire. CPT Gerald Crews, the copilot on this ship, was a former SF officer and helped organize the ARVN, the artillery, and air strikes around the base. SP4 Boop, the CE, took several photos on LOLO including a striking series of three showing 720 burning.

**E** WO Manuel Catzoela, a Lancer, B/158 AHB, flew the fifth UH-1H downed on LOLO. His aircraft was hit by an RPG as they started to leave the LZ and burned rather quickly. 1LT Charles R. Anderson, the copilot, was hit in the head by the main rotor and died on the spot as he left the aircraft and started running toward the trench. Their CE, possibly SP4 Paul Sgambati, received a serious head wound during the approach. He was unconscious when they crashed, was evacuated that afternoon, but died soon thereafter. They were the only LOLO fatalities.

**F** A CH-47 landing to lavender smoke with possibly the sixth 105mm howitzer.

**G** The 174th AHC's gun platoon, the Sharks, lost two UH-1Cs, #66-15094 and #66-15169 during action near LOLO. Most everyone involved believe the gunships crashed on the face of the escarpment and not on the LOLO. The only explanation for this white area is that a bomb had shattered one of the boulders.

## THE VHPA DIRECTORY

The Vietnam Helicopter Pilots Association (VHPA) Directory is distributed to members of the VHPA. The VHPA Directory is published annually by the VHPA and mailed in October to the members that are dues current as of September. Fourth-class postage paid at Wichita, Kansas.

## LETTER FROM THE EXECUTIVE COUNCIL

Dear VHPA Member:

We sincerely hope you will enjoy the 1994 Directory - the 11th edition produced by the VHPA. Just as the LOH in the hotel lobby added a special touch to our 11th Reunion in July, we believe this Directory adds something special to your VHPA membership.

The VHPA passed another major mile stone this year - we now have names and addresses for over 10,000 living Vietnam Era helicopter pilots. When we add what we know about those who have died since the war plus the KIA/MIA's, we can account for over 13,000. And how do we do this? Simple - one person at a time. Approximately two pilots join the VHPA every business day. And we learn of one new potential member or someone who passed away almost every day.

The response to the new features in the 1993 edition (e.g. expanded indices, the songs section, pocket patches on the cover) was very positive. The membership response to the Newsletter articles requesting input concerning LAM SON 719 exceeded our expectations. A lot of people wanted to get involved in this year's production. As the various VHPA committees worked to prepare the 1994 VHPA Calendar and Volume 1 of the Historical Reference Directory, our expertise and knowledge expanded considerably. All these factors plus a lot of hard work and creativity went into making this Directory for you.

As is our tradition, the theme in the front cover "dedicates" the 1994 Directory to those who flew in and supported the DEWEY CANYON II / LAM SON 719 operation - the incursion into Laos during February and March of 1971. Many VHPAers have especially poignant feelings on this subject. It is not the VHPA's position to judge history but we can certainly do something about collecting, recording, and disseminating member's feelings. The photos of LOLO on the front cover and the DUSTOFF rescue of a UH-1C gunship crew on the rear cover sort of sum up the terror and the camaraderie of those times. The American air crews had to hang tough together else none would survive.

In year's past, the Directory included a "gift" - a bumper sticker for example. While you can still get a bumper sticker from VHPA headquarters, we thought this year people might enjoy looking at a tactical map again. Many VHPAers wish they still had the old one they used in Vietnam. Enjoy!

In closing, please remember that the VHPA is only as good as we make it!! We need your comments, suggestions, additions, corrections, address changes, information on other Vietnam Era pilots (living or dead), unit histories, copies of Vietnam Era orders and flight class rosters, articles for the Newsletter, photos for the VHPA Calendar - they are always welcome.

Invite your buddies to our 12th Reunion. See you in Kansas City in July.

Your Executive Council

## VIETNAM HELICOPTER PILOTS ASSOCIATION

### MEMBERSHIP DIRECTORY 1994

**This membership directory is published for the information of VHPA members only. Use of this roster for any type of solicitation is prohibited. This roster will not be distributed to non VHPA members.**

#### Photo and Map Credits

VHPA member Cliff Whiting took the photo on the front cover on the afternoon of March 5 or 6 with an Instamatic 126. Cliff flew with the 48th AHC and after being released for the day, overflew LOLO on his own because he had learned that a flight school classmate, 1LT Charlie Anderson, had been killed on the LZ during the initial assault on the 3rd. After slowing the aircraft to 40 knots and giving the controls to the other pilot, Cliff snapped several pictures. Refer to Cliff's material in the 5 Mar area of the Lam Son 719 history for more details.

VHPA members Cliff Whiting and Dan Grigsby were kind enough to loan the VHPA their tactical maps. Information written on both maps was merged and augmented with data other VHPAers, from maps printed in Into Laos and the 101st Airborne Division's after action report for the map reproduced as an insert for this Directory.

VHPA member Marty Heuer provided the three photos and the "song book" cover that appear in the Songs section.

VHPA member Fred Thompson took the photo on the rear cover about mid-day on 21 Feb with a 35 mm camera. Fred was in the right seat of the other 174th AHC UH-1C. The AC of the DUSTOFF was VHPA member Howard 'Mo' Modjeski. One of the wounded crew members was VHPA member Bruce Marshall. Bruce, Fred, and Mo were flight schoolmates. "Surfer Girl" was the name of the downed Shark gunship. The ship was never recovered.

VHPA member Mike Sloniker "found" the LAM SON 719 related material for the VHPA Directory Committee and deserves everyone's thanks for helping get it published.

## SECTION II - Members and Potential Members

The following roster is an alphabetical listing (by last then first name) of all 10,261 living helicopter pilots who flew in Southeast Asia during the Vietnam Era and were known to the VHPA as of 19 August 1994. These 10,261 pilots include 613 Life, 6,940 General, and 2,708 Potential VHPA members. The data for the 76 pilots that passed away after joining the VHPA is listed in the Deceased roster. As in the 1993 Directory, each Life Member is identified with a large\* following his name. All VHPA members that are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. The names of all pilots, Members or Potential Members, appearing in the Directory for the first time have their names underlined.

The VHPA needs everyone's assistance to keep this roster accurate and to reach the goal of having ALL LIVING VIETNAM ERA HELICOPTER PILOTS included in this roster. For example, if you see a friend in this roster who's address is marked with a question mark (VHPA's mail is being returned) and you have a current address, please send it to VHPA Headquarters. If you know the name and address of a Vietnam Era helicopter pilot not included in this roster, please send it to VHPA Headquarters.

**THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.**
