THE VHPA DIRECTORY

The Vietnam Helicopter Pilots Association (VHPA) Directory is distributed to members of the VHPA. The VHPA Directory is published annually by the VHPA and mailed in October to the members that are dues current as of September. Fourth-class postage paid at Sacramento, CA.

VHPA membership is open to all helicopter pilots who flew in Southeast Asia during the Vietnam Era (1961-1975). Annual Memberships are \$30.00 or Life Membership for \$450.00. A Life Membership can be purchased on an installment plan; contact the VHPA for details.

LETTER FROM THE EXECUTIVE COUNCIL

Dear VHPA Member:

We sincerely hope you enjoy the 1996 Directory - the 13th edition produced by the VHPA. With the six Newsletter issues and our major Reunion in July, this Directory completes the line-up of "products" you receive for your VHPA dues.

As is our tradition, the theme of the front and rear cover photos "dedicates" this Directory to those who flew helicopters in Southern I Corps.

In much the same way that each Reunion has its own social and financial style, so each Directory is beautiful in its own way. Starting with the 1990 edition, the Directory Committee was able to add new features and chapters each year and still stay within the budget. As the VHPA became more successful in terms of the material contributed by its members and its Committees, the Directory grew accordingly. The 1994 edition was clearly our "high water mark" in terms of content and features. The membership loved it! However, it certainly exceeded the traditional Directory budget. The 1995 edition was more traditional in terms of content and features; it was also exactly on the budget. Due to printer cost constraints and budget realities, the Directory needs to stay in the mid-300 page range. The realities are that each year the Directory needs to accommodate roughly 1,000 more helicopter pilots. Sadly, the "go-go days" are past and we need to be more pragmatic with each page. In this respect, the VHPA is a "victim of its own success." The 1996 Directory does not include chapters and material that we would really like to present - including rosters from our History Committee and songs from our old friends.

It is important for the membership to know that the various VHPA committees who have the stewardship for collecting data and historical records are ALIVE AND WELL. The Database Committee is still collecting Flight Class Rosters, information about the "hat color", number of students, plus starting and graduating dates. The Historical Committee is still collecting historic documents. The VHPA Pocket Patch Project can still use a color copy machine copy of your patches.

In closing, please remember that the VHPA is only as good as we make it!! We need your comments, suggestions, additions, corrections, address changes, information on other Vietnam Era pilots (living or dead), unit histories, copies of Vietnam Era orders, flight class rosters, color copies of pocket patches, articles for the Newsletter, and photos for the VHPA Calendar. Your input is needed and welcome.

Invite your buddies to our 14th Reunion in Orlando in July!

Do you have your copy of the 1997 VHPA Calendar? It is impressive!!

Your Executive Council

MEMBERSHIP DIRECTORY 1996

This membership directory is published for the information of VHPA members only. Use of this roster for any type of solicitation is prohibited. This roster will not be distributed to non VHPA members.

Photo and Graphics Credits

VHPA member Fred Thompson took the front cover photo in Dec, 1970 of UH-1C #170, "ACE OF SPADES," from the SHARK platoon, 174th AHC while the gunship was southbound from Quang Ngai, near the coast of the South China Sea, enroute to Duc Pho. This aircraft was shot down on 3 March 1971 near Aloui in Laos during LAMSON 719. The aircraft was said to have been put on a flatbed truck and transported to a museum near Hanoi.

VHPA member Fred Thompson took the rear cover photo in Nov, 1970 of YK-23, from HMM-364, the PURPLE FOXES, as the CH-46D Sea Knight lands at the Duc Pho refuel point.

VHCMA members Chuck Carlock and Les Hines teamed to provide the VHPA with the official U.S. Army aerial photos of Chu Lai and Ky Ha that appear on pages 244 and 340.

VHPA member Jay Riseden provided the computer generated versions of the unit pocket patches and helicopter icons presented through out this Directory as part of the VHPA Unit Patch Project. This project was initiated to collect and catalog computer versions of color copies of ALL helicopter unit patches used in Vietnam. See Section VII for more details about this project and how you can contribute to it.

SECTION I - Members and Potential Members

The following roster is an alphabetical listing (by last then first name) of all 11,736 living helicopter pilots who flew in Southeast Asia during the Vietnam Era and were known to the VHPA as of 16 August 1996. These 11,736 pilots include 693 Life, 7,751 General, and 3,292 Potential VHPA members. The data for the 117 pilots that passed away after joining the VHPA is listed in the Deceased roster. Each Life Member is identified with a large * following his name. All VHPA members that are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. The names of all pilots, Members or Potential Members, appearing in the Directory for the first time have their names underlined.

The VHPA needs everyone's assistance to keep this roster accurate and to reach the goal of having ALL LIVING VIETNAM ERA HELICOPTER PILOTS included in this roster. For example, if you see a friend in this roster who's address is marked with a question mark (VHPA's mail is being returned) and you have a current address, please send it to VHPA Headquarters. If you know the name and address of a Vietnam Era helicopter pilot not included in this roster, please send it to VHPA Headquarters.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.
