JUL 96-JUL 97.....	Charlie Rayl
JUL 97-PRESENT.....	Mike Hurley

### THE VHPA DIRECTORY

The Vietnam Helicopter Pilots Association (VHPA) Directory is distributed to members of the VHPA. The VHPA Directory is published annually by the VHPA and mailed in October to the members that are dues current as of September. Fourth-class postage paid at Sacramento, CA.

VHPA membership is open to all helicopter pilots who flew in Southeast Asia during the Vietnam Era (1976-1975). Annual Membership is \$30.00 or Life Membership for \$450.00. A Life Membership can be purchased on an installment plan; contact the VHPA for details.

### LETTER FROM THE EXECUTIVE COUNCIL

Dear VHPA Member:

We sincerely hope you enjoy the 1997 Directory - the 14th edition produced by the VHPA. With the six Newsletter issues and our major Reunion in July, this Directory completes the line-up of "products" you receive for your VHPA dues.

As is our tradition, the theme of the front and rear cover photos "dedicate" the 1997 Directory to those who flew helicopters in IV Corps. The good news - because the Directory Committee started working on its "executive summary version" of the Helicopter History of IV Corps about nine months ago and because of repeated Newsletter articles asking for member input; we received a lot of input and members were able to review drafts for additional input. The bad news - we could have used more time and more member input! We want to thank those who helped this effort.

Looking back at the VHPA since the last Directory proves to be very satisfying. Please consider the following:

- The VHPA Newsletter has successfully demonstrated it can support a 28 page edition six times a year. Only two years ago there were those who doubted this could be done.
- Several fine people have manned VHPA booths at public (e.g. the Sun & Fun Fly-in and Oshkosh) and industry (e.g. AAAA and HAI) events with great success in terms of new and renewing members and just making quality friends.
- We have already heaped praises on the Florida LZ Chapter for their outstanding efforts concerning this summer's reunion; but they clearly established a new standard for VHPA Reunions! It was nice to see the Ft Worth Chapter guys taking notes for the 1998 Reunion!
- The VHPA has at least three internet "offerings" that are contributing new members to the association and making some new friends.
- The VHPA continues to see growth and success for individual unit associations and other fraternal associations such as the VHCMA and the Warrant Officer Reunion. Clearly when Max Hall landed his restored CH-21C near the Officers Club at Ft. Rucker this summer, he delighted many a Shawnee driver!
- From a VHPA membership point of view, the beat goes on - just after this year's Directory cutoff date, we signed up our 9,000th member. We continue to enroll just over one new member every day. Our membership retention in terms of percentage of dues current members continues to decline and we ask your help to reverse this trend.
- Several VHPA Committees have new leaders and/or new ideas for growth that really look encouraging. These, coupled with several "hard core" (really hard working or dedicated are better words) members in several focused areas, are a joy to behold!

It is important for the membership to know that the various VHPA committees who have the stewardship for collecting data and historical records are ALIVE AND WELL. The Database Committee is still collecting Flight Class, KIA and Died After Tour information. The Historical Committee is still collecting historic documents. The VHPA Pocket Patch Project can still use a color machine copy of your patches. The Directory Committee is still working 1968 data for the next Historical Reference Directory.

In closing, please remember that the VHPA is only as good as you help make it!! We need your comments, suggestions, additions, corrections, address changes, information on other Vietnam Era pilots (living or dead), unit histories, copies of Vietnam Era orders, flight class rosters, color copies of pocket patches, articles for the Newsletter, and photos for the VHPA Calendar. Your input is needed and it is welcomed.

Invite your buddies to our 15th Reunion in Ft. Worth in July!

Your Executive Council

## VIETNAM HELICOPTER PILOTS ASSOCIATION

# MEMBERSHIP DIRECTORY 1997

**This membership directory is published for the information of VHPA members only. Use of this roster for any type of solicitation is prohibited. This roster will not be distributed to non VHPA members.**

### Photo and Graphics Credits

VHPA member Jim Spiers provided the front cover photo of UH-1C, BIERE "33" EXPORT, (named in honor of that wonderful Vietnamese beer) from the MAVERICK platoon, 175th AHC flying somewhere over the Mekong Delta in 1968. Besides the doorgunner's M60s, MAVERICK 33 was armed with two 7.62 cal. mini-guns and two nineteen 2.75" rocket pods.

VHPA and SeaWolf members Dan Calvert and Conrad Jaburg plus Philip Chinnery, the British aviation author, helped the VHPA obtain the official Naval Photographic Center photo used on the rear cover. It shows HA(L)-3 Det 5 UH-1B 301 departing the USS Harnett County (LST-82) in November, 1967.

VHPA members Dennis Clay, Jim Paul, Jim Spiers, Tony Robinson, Greg Roche, and Bill Wilson provided the rest of the photos that appear in this Directory.

VHPA member Jay Riseden provided the computer generated versions of the unit pocket patches and helicopter icons used in this Directory as part of the VHPA Unit Patch Project. This project was initiated to collect and catalog computer versions of color copies of ALL helicopter unit patches used in Vietnam. See Section VII for more details about this project and how you can contribute to it.

# SECTION I - Members and Potential Members

The following roster is an alphabetical listing (by last then first name) of all 12,207 living helicopter pilots who flew in Southeast Asia during the Vietnam Era and were known to the VHPA as of 15 August 1997. These 12,207 pilots include 740 Life, 8,107 General, and 3,360 Potential VHPA members. The data for the 145 pilots who passed away after joining the VHPA is listed in the Deceased roster. Each Life Member is identified with a large\* following his name. All VHPA members that are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. The names of all pilots, Members or Potential Members, appearing in the Directory for the first time have their names underlined.

The VHPA needs everyone's assistance to keep this roster accurate and to reach the goal of having ALL LIVING VIETNAM ERA HELICOPTER PILOTS included in this roster. For example, if you see a friend in this roster who's address is marked with a question mark (VHPA's mail is being returned) and you have a current address, please send it to VHPA Headquarters. If you know the name and address of a Vietnam Era helicopter pilot not included in this roster, please send it to VHPA Headquarters.

**THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.**

## LEGEND

Name  
 (Underline indicates new listing or information)  
 Address  
 Flight School for Army trained pilots  
 Dates of Southeast Asian tour  
 Present occupation

\* indicates Life Member  
 Bold type denotes someone who has joined the VHPA and is current in his dues.  
 Question mark indicates this address is no longer good; mail is being returned.  
 Branch of service if not Army pilot training.  
 Southeast Asian combat unit.

SEAWOLF 301, a UH-1B from HA(L)-3 Det 5, departs the USS Harnett Country (LST-821) in November, 1967 somewhere on the Mekong River. Their primary mission was to support the 22 PRB (River Boat Patrol) squadrons as part of GAME WARDEN but they also worked with Navy SEAL teams and other Allied units throughout the Delta.
