LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2005 Membership Directory. It is the latest in a series of 22 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content, enjoyment and information.

Twenty years ago in 1985, the directory was 5 by 8 inches in size with 118 pages. The 2004 issue, with the addition of the large number of new addresses found during the data searches in 2003-2004, grew to 640 pages. This current issue is 576 pages, cover to cover. It includes most of the sections previously found in the VHPA Directory; however, in order to control our costs, several sections including the KIA and DAT sections have been consolidated to "Names Only" with the detailed information placed on our web site. Please refer to <http://www.vhpa.org> to find that information. Also, other ideas have been implemented to save space without reducing content or quality in order to reduce cost.

Now it's the member's turn to help make the Association grow. Go through your directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town that is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. If you like what we have in the Association, pass it on to him. It is the ultimate responsibility of VHPA members to grow this Association. Thanks in advance for your efforts.

A special thanks to Gary Roush for all his efforts in putting this directory together. Please send us any comments you may have to improve the Directory. SIGN UP A NEW GUY. It's your Association.

Front cover – VHPA and Popasmoke member A. Mike Leahy painted *Guardian Angel Gunship* in 1967 for the USMC Combat Art Collection. The caption reads: 'As a HMM-363 UH-34D drops off members of a 1st Marine Division recon team, a VMO-2 UH-1E Gunship darts overhead nervously, looking for the enemy halfway up the mountain slopes. Smoke and flames are a result of preparatory air strikes carried out by fighters and gunships earlier.' Major Leahy served as the port machine gunner on the UH-34. The location was five miles NW of An Hoa, Vietnam. Charlie Grow, acting head of USMC Art Collection, provided the digital scan of the original painting. Permission granted to the VHPA by Mike Leahy and the USMC Art Collection.

Back cover – Top left – Jim Henthorn provided this Dec 1969 photo taken by Bill Crawford of USAF 21st SOS CH-3E #66-13287 somewhere over Laos. On 24 Oct 1970, 287 crashed in Laos killing two USAF crewmembers.

Back cover – Top right – VHPA member Bill Robie provided this 1968 photo of an Air America 204B (similar to a UH-1B) waiting out the rain at Bao Loc.

Back cover – Bottom left – VHPA member Don Joyce provided this July 1967 photo of a VNAF H-34 at Dak To.

Back cover – Bottom right – VHPA and Seawolf member Norman Schrader provided this Nov 1968 photo of a USN HA(L)-3 UH-1B, Seawolf 205, ready for take off from USS Huntington County somewhere in the Delta of South Vietnam.

Editor's Comments

We continue to look for ways to improve your directory. This year all pilots alive or dead are listed in the members section so you only need to look in one place to determine a man's status. Also the Died After Tour section has been put on our Internet site along with the KIA information. By having it on the Internet, we can provide more details and update it more frequently. Producing a document like this is a daunting task, but dedicated volunteers make it happen. Please help us by providing additions, corrections and changes.

Enjoy this year's directory,

Gary Roush

VHPA Memorial Scholarship Fund Offers a Positive Legacy

When the Vietnam Helicopter Pilots Association began, back in 1983, there was never an intent to establish a scholarship program for children and grand children of members. However, over the years donations began to mount as individuals and units began to "challenge" each other to match their giving. Finally, in 1999 the amount of accumulated funds was nearing \$10,000 and the Executive Council decided something needed to be done. Several different ideas were evaluated to determine how the funds could be managed and invested so that someday a sufficient principle would exist to yield an annual scholarship. In addition, procedures necessary to solicit and select a scholarship recipient were discussed. Ultimately, it was determined that (1) not enough money to yield a significant scholarship was available and (2) the process of application and selection needed to be done in such a way that would be in keeping with very high standards and procedures.

Not wanting to "re-invent the wheel", the VHPA Executive Council sought and evaluated several organizations and companies that might do the job. Much was learned about foundations and companies capable of both investing and administering the VHPA Memorial Scholarship Program. Finally, a clear choice emerged and it was obvious that the Army Aviation Association of America was the very best choice. The AAAA is an organization with very close ties to many members of the VHPA. The AAAA is made up of U.S. Army pilots. An added bonus for the VHPA was that through the AAAA Heritage Program, they would match the \$10,000 of the VHPA with an equal amount. The combined total of funds now amounts to \$30,000+. With the combined principle, an immediate \$1,000 VHPA Memorial Scholarship became available for the 2001-2005 cycle of scholarships. Another added bonus was that VHPA applicants would also be eligible for many of the AAAA scholarships. Our partnership was a win-win situation for the VHPA and AAAA.

The AAAA Foundation has awarded individual scholarship grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. Interest-free loans of up to \$4,000 (\$1,000 a year) are also available. Any VHPA applicant or their father must be a member of AAAA, at time of application. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D Monroe, CT 06468-2830, telephone: 203- 268-2450 FAX: 203-268-5870 – EMAIL: aaaa@quad-a.org and return it to the AAAA Scholarship Foundation, Inc., on or before May 1 of the year of college entry. The postmark will govern. The applicant will be requested to provide additional supporting data. All scholarships are awarded on merit.

2005 Award In early August, Bill Harris, Executive Directory of AAAA, sent a letter to the VHPA with the official announcements of all AAAA scholarship winners. For the 2005 competition, the AAAA received a total of 230 applicants and made 132 awards totaling \$223,500. This year's recipient of the VHPA Heritage Scholarship of \$1,000 for one year, is Ms. Carsen H. Nesbitt, Daughter of CW2 Charles H. Nesbitt of Albion, NY. Charles is a Life member of the VHPA and was in Flight Class 68-501/67-25. He served in 57th AHC in 68-69. Also, Charles serves as a NY Assemblyman from Albion, NY.

Five years ago the VHPA selected The Vietnam Archive at Texas Tech University as its official repository for all historical information. The Vietnam Archive has been collecting, preserving, and making available records of the Wars in Southeast Asia since 1989. The Vietnam Archive welcomes all materials and perspectives concerning the Wars in Southeast Asia and considers no collection or donation to be too small. They believe all of the sacrifices made during the Wars are significant and the individual collections and recollections of the men and women who participated in those events are equally important. All

materials in the Archive are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 7 million pages of documentation in its manuscript and microform collections, over 2,000 maps, and more than 50,000 photos and slides related to wartime experiences in Southeast Asia.

Oral History Project

The Vietnam Archive is also committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact Steve Maxner at the phone number below or via email at [REDACTED]

The Virtual Vietnam Archive

The Vietnam Archive is also placing many materials online to facilitate free and easy access through the Internet. Thanks to funding from the U.S. Department of Education, the Vietnam Archive has created the Virtual Vietnam Archive. The Virtual Archive has already received nearly \$1 million and has hired 15 additional staff to work on this project. Anyone can now visit the Virtual Archive and utilize documents, photographs, oral histories, and other materials through our new Web Site: www.vietnam.ttu.edu.

SECTION I - Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 49,591 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2005. These 49,645 pilots include 1,877 Life, 10,482 General, and 29,383 Potential VHPA members - also 234 foreign pilots (FOR), and 350 American pilots who did not go to Vietnam (NOT). Also listed in *italics* are all pilots who have died including 2,197 who died in Vietnam (KIA), 145 who died during training (DDT), and 4,923 who have died after tour (DAT). **Details for all deceased pilots are at <http://www.vhpa>** Each Life Member is identified with a large* following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses are not included this year.

The VHPA needs everyone's assistance to make this roster accurate. There are 6,465 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.

U.S. Army Flight Training Class Index

This is important to remember - If you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at roush@vhpa.org

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) that were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 32,700 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered
RR - Remains Returned
PRO - Potential VHPA Member

DAT - Died After Tour
KIA - Killed In Action
REG - General Member of the VHPA

DDT - Died During Training
LIF - Life Member of the VHPA
NOT - National Guard or Not Vietnam
FOR - Foreign pilot

VHPA Membership Geographical Index

This index provides the membership with an easy way to determine the number and names of pilots in any given city within the US mailing system, within the country groups for APOs, and within countries for non-US mailing systems. Refer to the Members & Potential Members section to find the complete address of those listed in this index.

The presentation order is alphabetical by state. Guam (and all of US Micronesia), Puerto Rico, the Virgin Islands, and Washington D.C. are given "state status" in this alphabetical presentation. The three APO areas (The Americas, Europe, and the Pacific) follow all the states. The various countries within the APO mailing system are given city status for this index. Finally, all non-US mailing addresses (e.g. Canada, Saudi Arabia) are given city status by country but their cities are not listed.

It is important to remember that anyone with a bad address (e.g. a ? following his name in the Members & Potential Members Roster) is NOT included in this index.

Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots that served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DATDDT and KIA databases resulted in 27,234 names of pilots for 671 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Directory Committee. Please see page 389 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 63 Major Command units with a total of 1,403 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 798 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 233 Aviation units with a total of 16,523 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 53 Cavalry units with a total of 4,711 VHPAers.

Military Intelligence, Signal, and Logistics Units

This section consists of VHPAers who served with two relatively small organizations: any Military Intelligence or any Signal units. The presentation order is numerical by the MI Groups, the Signal Brigade level (e.g. STRATCOM) followed by the Signal Groups then the few Battalions that had helicopters. This presentation order shows 15 units with a total of 152 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 108 Transportation and Maintenance units with a total of 984 VHPAers

Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index - sorry. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August 2005. The 7,347 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered

KIA - Killed In Action

REG - General Member of the VHPA

DAT - Died After Tour

LIF - Life Member of the VHPA

NOT - Did not go to Vietnam

DDT - Died During Training

PRO - Potential VHPA Member
