LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2007 Membership Directory. It is the latest in a series of 24 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content, enjoyment and information.

In order to control our costs, the geographical index has been removed this year. That information is available on our web site. Also as in previous years, the KIA and DAT sections have been consolidated to "Names Only" with the detailed information placed on our web site. Please refer to <http://www.vhpa.org> to find that information. We continue to add information as we find it. This year we have added more Air America pilots' names thanks to help from Duane Keele.

This directory is also available on CD-ROM. In addition to the information contained here, it also contains e-mail addresses and phone numbers. If you would prefer to get the CD instead of the paper directory next year, please notify HQ. You can also buy one this year for \$20. New this year is a password protected secure web site version of the membership directory. It is available at <http://www.vhpa.org>. There is also a web site to use for renewals and other membership functions. It is at <http://www.vhpamembership.org>

Now it's your turn to help make the Association grow. Go through your directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town that is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. If you like what we have in the Association, pass it on to him. It is the ultimate responsibility of VHPA members to grow this Association. Thanks in advance for your efforts.

A special thanks to Gary Roush for all his efforts in putting this directory together. Please send us any comments you may have to improve the Directory.

Your Executive Council

KIA and DAT information is on our web site at http://www.vhpa.org	

Cover Photo Credits

Front cover – Top – VHCMA member Joe Kline has been a faithful friend and supporter of the VHPA for years. As an accomplished artist, he has sold his works at VHPA Reunions and advertised in the VHPA Aviator for years. He allowed the VHPA to use a copy of his Kingsmen over Khe Sanh print. It illustrates what Khe Sanh looked like in February 1971 during the support of the famous Lam Son 719 Operation. Visit <http://www.joekline.com> to see all of Joe's offerings.

Front cover – Bottom – Joe Kline provided this photo of Khe Sanh during February 1971. He was a crew chief on a B/101st AHB UH-1H during Lam Son 719.

Back cover – Top left – Joe Kline provided this photo of the aircraft of the 101st and 158th Aviation Battalions preparing to launch from Camp Evans on January 30th, 1971 at the start of Dewey Canyon II. Operation Dewey Canyon II was the set-up effort to reoccupy Khe Sanh and establish the logistical base for Lam Son 719.

Back cover – Top right – Deceased VHPA member Fred Thompson provided this photo of a US Marine Corps CH-53 that was part of the heavy lift support during Lam Son 719.

Back cover – Bottom left – Joe Kline provided this photo of Kingsmen 569, a B/101st AHB UH-1H, getting ready to launch in the fog to support Operation Dewey Canyon II in February 1971.

Back cover – Bottom right – Joe Kline provided this photo of a "Dragon" AH-1G, A/477th ARA, landing at Lang Vei to rearm and refuel while supporting Operation Lam Son 719 in February 1971.

Directory Committee Credits

Mike Law provided the software, instructions, and basic design for this publication. Mike also designed the cover. Mike Sloniker provided the History section.

Editor's Comments

We continue to add information as it becomes available. This year we have added four pages of additional addresses, flight class information and unit information. If we are missing your information, please let us know and we will include what you can provide. This directory is also available on CD-ROM and on a password protected web site at <http://www.vhpa.org>. Producing a document like this is a daunting task, but dedicated volunteers make it happen. Please help us by providing additions, corrections and changes.

Enjoy this year's directory,

Gary Roush

VHPA Memorial Scholarship Fund Offers a Positive Legacy

When the Vietnam Helicopter Pilots Association began in 1983, there was little thought given to establishing a scholarship program for children and grand children of VHPA members. However, over the years, donations began to mount as individuals and units challenged each other to match their giving. In 1999 the amount of accumulated funds neared \$10,000 and the Executive Council decided something needed to be done. Several different ideas were evaluated to determine how the funds could be managed and invested so that someday a sufficient principle would exist to yield an annual scholarship. In addition, procedures necessary to solicit and select a scholarship recipient were discussed. Ultimately, it was determined that (1) not enough money to yield a significant scholarship was available and (2) the process of application and selection needed to be done in such a way that would be in keeping with very high standards and procedures.

Not wanting to “re-invent the wheel”, the VHPA Executive Council sought and evaluated several organizations and companies that might do the job. Much was learned about foundations and companies capable of both investing and administering the VHPA Memorial Scholarship Program. Finally, a clear choice emerged and it was obvious that the Army Aviation Association of America was the very best choice. The AAAA is an organization with very close ties to many members of the VHPA. The AAAA is made up of U.S. Army pilots. An added bonus for the VHPA was that through the AAAA Heritage Program, they would match the initial \$10,000 of the VHPA. By 2005 the total combined amounts to \$30,000+. With this combined principle, an immediate \$1,000 VHPA Memorial Scholarship became available for our 2001-2006 scholarships. Additional donations at the 2006 Annual Reunion from the 361st ACE/AWC, “Pink Panthers”, have made a second scholarship possible beginning in 2007. Another added bonus is that VHPA applicants are also eligible for many of the AAAA scholarships. This partnership is a win-win situation for the VHPA and AAAA.

The AAAA Foundation has awarded individual scholarship grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. Interest-free loans of up to \$4,000 (\$1,000 a year) are also available. Any VHPA applicant or their father must be a member of AAAA, at time of application. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D Monroe, CT 06468-2830, telephone: 203- 268-2450 FAX: 203-268-5870 – EMAIL: aaaa@quad-a.org and return it to the AAAA Scholarship Foundation, Inc., on or before May 1 of the year of college entry. The postmark will govern. The applicant will be requested to provide additional supporting data. All scholarships are awarded on merit.

2007 Awards--For the 2007 competition, the AAAA received a total of 284 applicants and made 169 awards totaling \$268,500. This year’s recipient of the VHPA Heritage Scholarship of \$1,000 for one year is Ms Roxanne S. Coonrod, daughter of former CW2 Michael E. Coonrod, Montague, CA. She will be attending the University of California. Also, selected for the VHPA—361st Avn Co. “Pink Panthers” Scholarship of \$1,000 for one year was Mr. Sean M. McDaniel, son of Will R. McDaniel, Powder Springs, GA. He will be attending the University of Florida.

THE VIETNAM ARCHIVE

TEXAS TECH UNIVERSITY

P.O. Box 41041 | Lubbock, TX 79409-1041 | 806-742-9010 | 806-742-0496 (fax)

Five years ago the VHPA selected The Vietnam Archive at Texas Tech University as its official repository for all historical information. The Vietnam Archive has been collecting, preserving, and making available records of the Wars in Southeast Asia since 1989. The Vietnam Archive welcomes all materials and perspectives concerning the Wars in Southeast Asia and considers no collection or donation to be too small. They believe all of the sacrifices made during the Wars are significant and the individual

collections and recollections of the men and women who participated in those events are equally important. All materials in the Archive are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 2,000 collections containing an estimated 10 million pages of documentation in its manuscript collections, over 1,500 maps, and more than 100,000 photos and slides related to wartime experiences in Southeast Asia.

Oral History Project

The Vietnam Archive is also committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact us at the phone number below or via email at VAOralHistory@ttu.edu

The Virtual Vietnam Archive

The Vietnam Archive is also placing many materials online to facilitate free and easy access through the Internet. Thanks to funding from the U.S. Department of Education, the Vietnam Archive has created the Virtual Vietnam Archive. Anyone can now visit the Virtual Archive and utilize thousands of documents, photographs, oral histories, and other materials through our website: www.vietnam.ttu.edu.

Please Participate in Preserving Your History

If you have personal photos, stories, orders, books, maps, newspapers or other documents or memorabilia that you would like to donate to the Vietnam Archive, contact them at: The Vietnam Archive, Texas Tech University, Special Collections Library, Room 108, Lubbock, TX 79409-1041. Phone: 806-742-9010 FAX: 806-742-0496 Email: vietnamarchive@ttu.edu Web Site address: <http://www.vietnam.ttu.edu>. Help ensure your legacy and the legacy of the Vietnam Helicopter Pilots Association by contacting them today.

The Texas Tech University Board of Regents created The Vietnam Center and The Vietnam Archive in 1989. The missions of the Vietnam Center include promoting the study of the Wars in Southeast Asia and supporting the collection and preservation activities of the Vietnam Archive.

SECTION I - Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 49,737 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2007. These 49,737 pilots include 2,097 Life, 10,537 General, and 28,793 Potential VHPA members - also 234 foreign pilots (FOR), and 524 American pilots who did not go to Vietnam (NOT). Also listed in *italics* are all pilots who have died including 2,196 who died in Vietnam (KIA), 147 who died during training (DDT), and 5,209 who have died after tour (DAT). **Details for all deceased pilots are at <http://www.vhpa>** Each Life Member is identified with a large * following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses are not included in this publication but are included in the CD Directory available from HQ.

The VHPA needs everyone's assistance to make this roster accurate. There are 7,888 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.

comrades in arms could understand. In essence, I was getting a bigger, thicker life than I ever could possibly have if I had done it all some other, lesser way. If I had never gone there, done that. I never doubted what he said and it has been true and more, so often, so long now that of all the many times I figured I had gotten to the place he spoke of, it all swapped places and it got thicker and fuller. So in the last few years now I am finally arriving at the place he mentioned. But like my eyes closed dream travel, it has become so much part of me and who I am, I am ready for it all to be somehow different but the same tomorrow, or the day after that. He was right about it all though. Thicker, fuller, more. A special kinship and bonding only those that have seen the elephant can even begin to understand.

Hope what you were looking for is somewhere here or in the. Or maybe you just should put your head down and shut your eyes. Works for me. Oggy

Narrative of the Joker 06 Story

By Stephen T. Knowles, Joker 98, 48 AHC '70-'71

This is a story that needed to be told many years ago...twenty-eight years, ten months, and 24 days to be precise. This is difficult to pen because, I believe, this story will be used as a testimonial in the history in the lives of some fine men...members of an Assault Helicopter Company in Vietnam and of a particular platoon of men who took it upon themselves to try to accomplish their mission while protecting others before themselves. These men were members of the Joker Gun Platoon of the 48th Assault Helicopter Company (AHC.) This story is also difficult to write because this "final history" is designed to honor these men at a time when they have recently been recovered from their crash-site and are about to be interred at Arlington National Cemetery.

This story is also about a time in the history of the development of helicopter warfare...a story centered around South Vietnam, but actually focuses on our projection of forces into Laos to sever North Vietnamese lines of communication. Many people in the US, at that time, did not want to interrupt their busy lives to make themselves aware that the

United States invaded Laos to achieve a military objective near Tchepone, a village approximately 30 kilometers West of the Vietnamese border and near the North Vietnamese main supply route into South Vietnam. At 0830 hours on February 8, 1971, helicopter units of the 101st Airborne Division and the 1st Aviation Brigade's 223rd Combat Aviation Battalion flew across the Laotian border from a forward operating base at Khe Sanh to insert ARVN troops to cut this supply route. The operation was called Lam Son 719, or the American version, Dewey Canyon II. This three month military operation ultimately was to prove the value of helicopters in modern warfare and the relatively new concept of Helicopter Air Mobility in mid- to high-threat anti-aircraft environments.

The mission was to be accomplished by employing Army of the Republic of Vietnam (ARVN) ground troops with US aviation assets. In support of the ground troops were US Air Force, Navy, Marine, and Army aircraft...their responsibility to prepare the area, protect by providing fire support, insert, move, resupply and recover South Vietnamese soldiers. Orders stated, "at no time were American soldiers to set foot on Laotian soil."

This "Joker" story takes place on 20 February 1971. The 48th AHC was tasked to resupply an ARVN unit at a distant outpost southwest of our normal area of operations, which was near the river and QL 9, a main supply route running east/west into Laos to Tchepone. Our intelligence briefing mentioned the normal air defense (AD) threat. We had gotten used to the normal threat briefings of .51 caliber, 23-MM, and 57-MM radar enhanced air defense weapons that were waiting for us across the border in Laos. The gun platoon was more concerned about the .51 caliber machine gun because we had had experience with them in Vietnam, and thought they posed our greatest threat. We had changed our flying tactics since we had moved north from II Corps (Military Region 2) and instead of flying high to reduce the small arms fire threat, we elected to take that risk and fly at tree-top level once we had been targeted by the radar equipped 57-MM weapons. We were absolutely
Continued on page 528

U.S. Army Flight Training Class Index

This is important to remember - if you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at [REDACTED]

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 31,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered
KIA - Killed In Action
PRO - Potential VHPA Member

DAT - Died After Tour
LIF - Life Member of the VHPA
REG - General Member of the VHPA

DDT - Died During Training
DNV - Died, Not Vietnam
NOT - National Guard or Not Vietnam
FOR - Foreign pilot

Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 28,838 names of pilots for 688 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 392 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 65 Major Command units with a total of 1,453 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 37 Artillery units with a total of 842 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 234 Aviation units with a total of 17,321 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 55 Cavalry units with a total of 4,950 VHPAers.

Medical Air Ambulance Units

This section consists of VHPAers who served with any Air Ambulance related unit without regard to Divisional relationships. Only two Medical Battalions (e.g. the 15th and the 326th) had organic Air Ambulance Platoons; so only those Med Battalions appear in this section. The presentation order for this section is numerical by Groups followed by Detachments, Companies, and Battalions. This presentation order shows 18 Medical units with a total of 800 VHPAers.

Military Intelligence, Signal, and Logistics Units

This section consists of VHPAers who served with two relatively small organizations: any Military Intelligence or any Signal units. The presentation order is numerical by the MI Groups, the Signal Brigade level (e.g. STRATCOM) followed by the Signal Groups then the few Battalions that had helicopters. This presentation order shows 15 units with a total of 145 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 114 Transportation and Maintenance units with a total of 1,092 VHPAers

U.S. Navy Units

This section consists of VHPAers that served with any U.S. Navy helicopter related unit. The presentation order starts with our Delta Huey brothers, HA(L)-3, and then covers those that flew SAR and support from the big boats off the coasts of South and North Vietnam. This presentation order shows 41 units with a total of 248 VHPAers.

U.S. Marine Corps Units

This section consists of VHPAs that served with any U.S. Marine Corps helicopter related unit. The presentation order is the 1st Air Wing followed by the three Air Groups with their respective H&MS and HM* Squadrons in numerical. The VMOs appear last. It was common for multiple tour Marine pilots to fly with fixed wing squadrons; but these squadrons are not included in this section. This presentation order shows 39 units with a total of 1,364 VHPAs

Australian, Korean, Laos, Philippines, and Thailand Helicopter Units

This section consists of VHPAers who served with either of the two Australian helicopter units or were helicopter pilots from the Australian or New Zealand military and serving in Vietnam. The Royal Australian Navy helicopter pilots who served with the 135th AHC "EMUs" and "TAIPANS" are listed with the Americans in the Aviation section of this index. Next the Korean and Philippines units are presented. If the VHPA had data on any Thai helicopter pilots, it would be presented here. This presentation order shows 8 units with a total of 26 VHPAers.

Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,657 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered
KIA - Killed In Action
REG - General Member of the VHPA

DAT - Died After Tour
LIF - Life Member of the VHPA
NOT - Did not go to Vietnam

DDT - Died During Training
PRO - Potential VHPA Member

shocked the first time those little black puffs of smoke from the 57s blossomed around our aircraft in flight, and memories of movies and books about bomber flights during World War II immediately came to mind. We realized then that we were up against a formidable and well-equipped foe.

The Joker gun platoon mission, this day, was to escort the 48th's troop carrying platoons of UH-1D and H model helicopters (called "slicks" because they were unarmed except for their M60 machine gun suppression weapons.) Normally the Joker teams would fly along side

of the slick formation and then try to sprint ahead approaching the vicinity of the landing zone. Then we would "prep" the landing zone (LZ) by reconnoitering, trying to draw fire from the area to locate any hostiles, and fire 2.75 inch rockets into it to dislodge any "bouncing Betty" mines. If the briefed LZ proved to be too "hot," we would recommend an alternate LZ to have the slicks discharge their load of troops or supplies.

What I remember about this particular resupply mission, in which Jon Reid, David May, Randy Johnson, and Robert Acalotto were lost, was....
