## LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2008 Membership Directory. It is the latest in a series of 25 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content, enjoyment and information.

In order to control costs, the geographical index has been removed again this year. That information is available online at <http://www.vhpaservices.com> Also as in previous years, the KIA and DAT sections have been consolidated to "Names Only" with the detailed information placed on our web site. Please refer to <http://www.vhpa.org> to find that information. We continue to add information as we find it. This year we have added unit information on the 174 AHC from Bernie Cobb who has provided us with their unit database. We have also added more flight class information provided by members.

This directory is available on CD-ROM. In addition to the information contained here, it also contains e-mail addresses and phone numbers. If you would prefer to get the CD instead of the paper directory next year, please notify HQ. You can also buy one this year for \$20. New last year was a password protected secure web site version of the membership directory. It is available at <http://www.vhpaservices.com> There is also a web site to use for renewals and other membership functions. It is at <http://www.vhpamembership.org>

Now it's your turn to help make the Association grow. Go through this directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town who is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. Thanks for your efforts.

A special thanks to Gary Roush and Mike Law for all their efforts in putting this directory together. We welcome your comments about this Directory.

Your Executive Council

### Cover Photo Credits

Front and Back covers – VHPA member Robert I. "Bob" Nance faithfully kept a diary during his 15 January 1968 to 15 January 1969 tour in Vietnam with the 162<sup>nd</sup> Assault Helicopter Company. He started out in one of the lift platoons then became Copperhead 38 in the gunship platoon. The 162<sup>nd</sup> was based at Phouc Vinh until late October 1968 when they relocated to Dong Tam to support the 9<sup>th</sup> Infantry Division. In early 2008 Bob had some 360+ of his Vietnam era photos and prints digitally scanned. He provided the Directory Committee with an electronic copy of his diary and a DVD with his digital images. Directory Committee member, Mike Law, worked with Bob to build a "two-page scrape book" from the photos and prints on the DVD. It is the Directory Committee's understanding that Bob either took the original photos and/or has the legal right to use all the digital images he gave to the VHPA. The digital image of the famous Vulture pocket patch came from [www.162ahc.com](http://www.162ahc.com). This "two-page scrape book" then became the backdrop for this year's Membership Directory covers.

History Section photos – All the photos presented in the History Section (either printed in this Directory or included on the VHPA's website [www.vhpaservices.com](http://www.vhpaservices.com)) were selected by Mike Law from the DVD Bob gave to the VHPA.

### Directory Committee Credits

Mike Law provided the software, instructions, and basic design for this publication. Mike also designed the cover and provided the History section.

### Editor's Comments

We continue to add information as it becomes available. This year we have added four pages of additional addresses, flight class information and unit information. Most of the additional unit information is on the 174 AHC from Bernie Cobb who provided us with their unit database. If we are missing your information, please let us know and we will include what you can provide. The history section came from Bob Nance's diary. This is an example of what we can do to preserve our legacy by ensuring that detailed information like Bob's is not lost. We encourage everyone to take steps to preserve their piece of our history. Either provide the information to the VHPA or to our official archives, the Vietnam Archives at Texas Tech University (see page 4 for details).

This directory is also available on CD-ROM and on a password protected web site at <http://www.vhpa.org>. Producing a document like this is a daunting task, but dedicated volunteers make it happen. Please help us by providing additions, corrections and changes.

Enjoy this year's directory,

# VHPA Memorial Scholarship Fund Offers a Positive Legacy

When the Vietnam Helicopter Pilots Association began in 1983, there was little thought given to establishing a scholarship program for children and grand children of VHPA members. However, over the years, donations began to mount as individuals and units challenged each other to match their giving. In 1999 the amount of accumulated funds neared \$10,000 and the Executive Council decided something needed to be done. Several different ideas were evaluated to determine how the funds could be managed and invested so that someday a sufficient principle would exist to yield an annual scholarship. In addition, procedures necessary to solicit and select a scholarship recipient were discussed. Ultimately, it was determined that (1) not enough money to yield a significant scholarship was available and (2) the process of application and selection needed to be done in such a way that would be in keeping with very high standards and procedures.

Not wanting to "re-invent the wheel", the VHPA Executive Council sought and evaluated several organizations and companies that might qualify. Much was learned about foundations and companies capable of investing and administering the VHPA Memorial Scholarship Program. Finally, a clear choice emerged....it was obvious that the Army Aviation Association of America was the very best choice. An added bonus for the VHPA was that through the AAAA Heritage Program, AAAA would match the initial \$10,000 of the VHPA. By 2005 the combined total amounted to \$30,000+ which immediately funded the first \$1,000 VHPA Memorial Scholarship. Additional large donations at the 2006 Annual Reunion from the 361<sup>st</sup> ACE/AWC, "Pink Panthers" made a second scholarship possible beginning in 2007. For 2008 a third \$1,000 scholarship was added due to donations from the membership. Another added bonus is that VHPA applicants are also eligible for most of the other AAAA scholarships. This partnership is a win-win situation for the VHPA and AAAA.

The AAAA Foundation has awarded individual scholarship grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. Interest-free loans of up to \$4,000 (\$1,000 a year) are also available. Any VHPA applicant or their father must be a member of AAAA, at time of application. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D Monroe, CT 06468-2830, telephone: 203- 268-2450 FAX: 203-268-5870 – EMAIL: [aaaa@quad-a.org](mailto:aaaa@quad-a.org) and return it to the AAAA Scholarship Foundation, Inc., on or before May 1 of the year of college entry. The postmark will govern. The applicant will be requested to provide additional supporting data. All scholarships are awarded on merit.

**2008 Awards**--For the 2008 competition, the AAAA received a total of 280 applications and made 165 awards totaling \$262,500. The VHPA was privileged to award a third Memorial Scholarship in 2008. This year's recipients of the VHPA Heritage Scholarships of \$1,000 for one year are Ms. Amanda K. Speare who will be attending the Univ. of Minn. and Ms. Brittnay T. Gendreau who will be attending Tallahassee Community College. Also, selected for the VHPA Memorial Scholarship—Honoring the 361<sup>st</sup> Avn Co. "Pink Panthers" Ms Lela M. Ruck, daughter of CPT Lance E. Ruck and she will be attending the University of Texas. In all, 17 VHPA related applicants received AAAA Scholarships.

Five years ago the VHPA selected The Vietnam Archive at Texas Tech University as its official repository for all historical information. The Vietnam Archive has been collecting, preserving, and making available records of the Wars in Southeast Asia since 1989. The Vietnam Archive welcomes all materials and perspectives concerning the Wars in Southeast Asia and considers no collection or donation to be too small. They believe all of the sacrifices made during the Wars are significant and the individual

collections and recollections of the men and women who participated in those events are equally important. All materials in the Archive are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 2,000 collections containing an estimated 10 million pages of documentation in its manuscript collections, over 1,500 maps, and more than 100,000 photos and slides related to wartime experiences in Southeast Asia.

### Oral History Project

The Vietnam Archive is also committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact us at the phone number below or via email at [VAOralHistory@ttu.edu](mailto:VAOralHistory@ttu.edu)

### The Virtual Vietnam Archive

The Vietnam Archive is also placing many materials online to facilitate free and easy access through the Internet. Thanks to funding from the U.S. Department of Education, the Vietnam Archive has created the Virtual Vietnam Archive. Anyone can now visit the Virtual Archive and utilize thousands of documents, photographs, oral histories, and other materials through our website: [www.vietnam.ttu.edu](http://www.vietnam.ttu.edu).

# SECTION I - Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 49,825 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2008. These 49,825 pilots include 2,189 Life, 10,823 General, and 28,108 Potential VHPA members - also 236 foreign pilots (FOR) and 683 American pilots who did not go to Vietnam (NOT). Also listed in *italics* are all pilots who have died including 2,195 who died in Vietnam (KIA), 151 who died during training (DDT), and 5,440 who have died after tour (DAT). **Details for all deceased pilots are at <http://www.vhpa.org>** Each Life Member is identified with a large \* following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses are not included in this publication but are included in the CD Directory available from HQ.

The VHPA needs everyone's assistance to make this roster accurate. There are 17,943 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

**THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.**

28 Feb 1968 - Had CA today near Lai Khe. Lt. Demas flying got caught in the rotor wash of the ship in front of us, lost rotor RPMs on short final, went through tree tops at about 100 ft, I bottomed pitch after he hit tree. Flared the ship and hit short of LZ. Almost still in trees. (I turned the battery off and rolled the throttle off, then bailed out of the aircraft on the ground with the grunts wanting to know whether we had been hit or what. I took a picture of the aircraft in the LZ and next thing I know there's a ship in front of us motioning us to jump on! Ran over and got out of there.) Shook the hell out of me, no one hurt, also aircraft flown out unhurt later by maintenance.

supposed to let brothers fly on the same ship but as long as we didn't tell our mother he would. Bud was actually assigned to our unit while he was visiting me.)

## U.S. Army Flight Training Class Index

**This is important to remember - If you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index.** It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or Initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at [REDACTED]

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 49,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered

DAT - Died After Tour

FOR - Foreign pilot

KIA - Killed In Action

LIF - Life Member of the VHPA

DDT - Died During Training

PRO - Potential VHPA Member

REG - General Member of the VHPA

DNV - Died, Not Vietnam

NOT - National Guard or Not Vietnam

# Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a 'roll-up unit' when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

**It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index.** Please report any corrections to Gary Roush at roush@vhpao.org or VHPA Headquarters at HQ@vhpao.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 29,847 names of pilots for 694 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 394 for a key to the status code abbreviation in front of the individual's name.

## Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 66 Major Command units with a total of 1,488 pilots.

## Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 868 VHPAers.

## Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 234 Aviation units with a total of 17,321 VHPAers.

## Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 55 Cavalry units with a total of 4,950 VHPAers.

## Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 118 Transportation and Maintenance units with a total of 1,131 VHPAers

## U.S. Marine Corps Units

This section consists of VHPAers that served with any U.S. Marine Corps helicopter related unit. The presentation order is the 1st Air Wing followed by the three Air Groups with their respective H&MS and HM\* Squadrons in numerical. The VMOs appear last. It was common for multiple tour Marine pilots to fly with fixed wing squadrons; but these squadrons are not included in this section. This presentation order shows 38 units with a total of 1,420 VHPAers.

## Military Service Index (Excludes US Army)

**This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index.** Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpao.org or VHPA Headquarters at HQ@vhpao.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,679 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered

KIA - Killed In Action

REG - General Member of the VHPA

DAT - Died After Tour  
LIF - Life Member of the VHPA  
NOT - Did not go to Vietnam

DDT - Died During Training  
PRO - Potential VHPA Member

1 Mar 1968 - Had 7 hours of CA. Ash and Trash. Bud flew as gunner all day. Bought camera \$93 (Bruce Stoehr, also from California was the AC. All California crew! We were in Lai Khe together and got a picture of Bud and myself standing by the aircraft. May have been mortared while we were there).

2 Mar 1968 - Bud left today, we went down to Phu Loi. Saw Jim Cozine and had a few beers there. Took Bud to the tower. Had a good time with him while he was here. Probably get in paper back home. (It was in the local paper that we flew as a crew together, this was one of the fond memories of Bud I have, he died in a civilian plane crash in Idaho at age 36, Oct 31, 1986.)

3 Mar 1968 - Had CA's today, got mortared in LZ twice. Had night CA. Flew with Chuck Lydeen.

4 Mar 1968 - Had today off. Sun bathed and went to PX. Got pictures back, some OK some not. Got haircut and massage today.

5 Mar 1968 - Had today off, moved to bigger hooch. Have OD tonight. Tweedy's ship blew up in air last night. Killed him and 3 others. (After OD we had a rocket and mortar attack 2 am or later. At that time when we were being rocketed or mortared the standby gunships would launch and fly out a open corridor, friendly artillery batteries returned fired mortars and heavy artillery almost in a 360 degree arc to stop the incoming as Vernon Tweedy's ship took off and turned south to see if he could spot the flashes from the enemy rockets or mortars, we saw his ship blow up into small pieces and fall out of the sky on fire. We were in the bunker and I was looking out one of the windows and saw what at first

I thought was a short enemy rocket bursting in the air prematurely then we realized that it was ours and a few minutes later the CO came by the bunker and told us that the ship went down. Vernon Tweedy was one of the nicest guys in the company and an extremely good man; everyone loved the guy, his death and the rest of the crew with him. Devastated us all. The copilot had just came to the company a few days prior.)

6 Mar 1968 - Mortared at 0800 in the morning. Got up at 1230. 1300 a few rockets rounds came in. (When a rocket came in you could hear it whistle as it came down, you could hear it launch also. The mortars you could hear the launch, then the next thing you would hear was the impact. Always scared the stuffing out of you, as it seemed they always got closer with each one.)

7 Mar 1968 - Today went to Ham Tam. Had CA's today. Went into LZ with soot. Just heard the same sound that I heard when Tweedy's chopper blew up. I think maybe our artillery or ARVN artillery hit him. (This was suspected as originally we thought he was hit by an incoming round but later CO said he was hit by outgoing. We had a service for the crew and we were asked not to write to the family until the investigation completed. I thought that I would have rather thought that he was killed by the enemy instead of accidentally by the friendlies. In the end it was still by enemy action!!)

8 Mar 1968 - Flew CA today south of Phouc Vinh. Then Ash and Trash around Phu Loi. 3 minutes after leaving Lai Khe they got hit. 105 today, almost flew in Artillery on late lift.
