LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2009 Membership Directory. It is the latest in a series of 26 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content, enjoyment and information.

This is the last year that this publication will be "free" meaning it is part of your standard dues. We have developed a much more complete membership directory on our password protected web site at <http://www.vhpaservices.com>. Not only does it provide you with more information than this paper directory but it is also much more up to date. This paper directory is really obsolete by the time you receive it since we receive updates daily. The online directory is updated daily and contains information not found in this directory such as e-mail addresses, phone numbers, geographical index and details on our fallen both KIAs and those who have died since their tour in Vietnam (DATs). That information is also available at our main web site at <http://www.vhpa.org>

This directory is also available on CD-ROM. In addition to the information contained here, it contains e-mail addresses and phone numbers. If you would prefer to get the CD instead of the paper directory next year, please notify HQ. You can also buy one this year for \$20.

Now it's your turn to help make the Association grow. Go through this directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town who is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. Thanks for your efforts.

A special thanks to Gary Roush and Mike Law for all their efforts in putting this directory together. We welcome your comments about this Directory.

Front and Back covers – During this past year, VHPA members Jim McLaughlin and Ron Bower spent several man-months developing digital images of Vietnam War Era maps for the VHPA “Memories of Vietnam” Map Project outlined in some detail in this Directory’s History Section. Jim then merged images to form a complete map of former South Vietnam. He also developed a technique to “crop out” the ocean so the map effectively ends at the coastline. Then he overlaid the map with a grid containing the two-character codes for military map coordinates. Finally he superimposed red dots at the map coordinates for the helicopter pilot KIAs from data provided by VHPA member and Records Committee Chairman Gary Roush. This is a seriously impressive accomplishment! Ron Bower gave a detailed presentation during the 2009 VHPA Reunion on the resulting map you see on the front cover. Both Jim and Ron will present Project updates at the 2010 VHPA Reunion in San Diego. The rear cover shows the “zoom in” technique that will be available via a VHPA web application in 2010. On the left is a portion of the Bong Song Plains in northeastern II Corps. At the top is a further “zoom in” to the area west of QL-1 in northern Binh Ding Province. By “clicking” on the red dot, two stored images appear. Jim posted the B&W photo, taken by a door gunner and given to him years ago, of 335th AHC UH-1B #62-02056 still burning on 5 May 1968 at grid BR906795. The other image is an edited version of the computer-generated history of the aircraft including the names of the four-crew members who died in that incident. Naturally, the web application will present the complete report. VHPA member and Calendar Editor, Mike Law, digitally edited all this material for this Directory.

History Section photos – All the digital images presented in the History Section (either printed in this Directory, included in the CD version, or the online version at VHPA’s website www.vhpa.org) were selected by Mike Law from material provided by VHPA members Jim McLaughlin and Ron Bower with the generous help of S/Sgt (Ret) Don “Snuffy” Smith, a two tour VN ground Recon unit leader with the Americal Division and Mr. Don Showalter of the USGS in Denver, Colorado.

Directory Committee Credits

Mike Law provided the software, instructions, and basic design for this publication. Mike also designed the cover and edited the History section.

Editor's Comments

We continue to add information as it becomes available. This year we have added additional addresses, flight class information and unit information. If we are missing your information, please let us know and we will include what you can provide.

This directory is also available on CD-ROM and on a password protected web site at <http://www.vhpa.org>. Producing a document like this is a daunting task, but dedicated volunteers make it happen. Please help us by providing additions, corrections and changes.

Enjoy this year's directory,

Gary Roush roush@vhpa.org

VHPA Memorial Scholarship Fund Offers a Positive Legacy

When the Vietnam Helicopter Pilots Association began in 1983, there was little thought given to establishing a scholarship program for children and grand children of VHPA members. However, over the years, donations began to mount as individuals and units challenged each other to match their giving. In 1999 the amount of accumulated funds neared \$10,000 and the Executive Council decided something needed to be done. Several different ideas were evaluated to determine how the funds could be managed and invested so that someday a sufficient principle would exist to yield an annual scholarship. In addition, procedures necessary to solicit and select a scholarship recipient were discussed. Ultimately, it was determined that (1) not enough money to yield a significant scholarship was available and (2) the process of application and selection needed to be done in such a way that would be in keeping with very high standards and procedures.

Not wanting to “re-invent the wheel”, the VHPA Executive Council sought and evaluated several organizations and companies that might qualify. Much was learned about foundations and companies capable of investing and administering the VHPA Memorial Scholarship Program. Finally, a clear choice emerged....it was obvious that the Army Aviation Association of America was the very best choice. An added bonus for the VHPA was that through the AAAA Heritage Program, AAAA would match the initial \$10,000 of the VHPA. By 2005 the combined total amounted to \$30,000+ which immediately funded the first \$1,000 VHPA Memorial Scholarship. Additional large donations at the 2006 Annual Reunion from the 361st ACE/AWC, “Pink Panthers” made a second scholarship possible beginning in 2007. For 2008 a third \$1,000 scholarship was added due to donations from the membership and the forth scholarship is very close. VHPA applicants are also eligible for most of the other AAAA scholarships as an added bonus. The scholarship partnership is a win-win situation for the VHPA and AAAA.

The AAAA Foundation has awarded individual scholarship grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. Interest-free loans of up to \$4,000 (\$1,000 a year) are also available. Any VHPA applicant or their father must be a member of AAAA, at time of application. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D

Monroe, CT 06468-2830, telephone: 203- 268-2450 FAX: 203-268-5870 – EMAIL: aaaa@quad-a.org and return it to the AAAA Scholarship Foundation, Inc., on or before May 1 of the year of college entry. The postmark will govern. The applicant will be requested to provide additional supporting data. All scholarships are awarded on merit.

2009 Awards--For the 2009 competition, the AAAA received a total of 380 applications and made 155 awards totaling \$222,000. The VHPA was privileged to award a third Memorial Scholarship in 2009. This year's recipients of the VHPA Heritage Scholarships of \$1,000 for one year are Ms. Elise A. Resemius who will be attending Minnesota State and Mr. David J. Fulbrook who will be attending Virginia Tech Univ. Selected again for the VHPA Memorial Scholarship—honoring the 361st Avn Co. “Pink Panthers” was Ms Lela M. Ruck, daughter of CPT Lance E. Ruck and she will be attending the University of Texas. In all, 15 VHPA related applicants received AAAA Scholarships.

Founded in 1989 by a group of local veterans, the Vietnam Center and Archive at Texas Tech collects, preserves, and makes available records of the Vietnam War. The Center and Archive has been the official repository for the VHPA since 1998 and welcomes all materials and perspectives concerning the war. We believe all of the sacrifices made during this period were significant and the individual collections and recollections of the men and women who participated in this event are equally important. All materials are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 2,000 collections containing an estimated 10 million pages of documentation in its manuscript collections, over 1,500 maps, and more than 100,000 photos and slides related to America's involvement in Vietnam.

Oral History Project

The Vietnam Archive is committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact us at (806) 742-9010 or via email at VAOralHistory@ttu.edu.

The Virtual Vietnam Archive

Since 2001, The Vietnam Archive has been placing many materials online to facilitate free and easy access through the Internet. Anyone can now visit the Virtual Archive and utilize thousands of documents, photographs, oral histories, and other materials through our website: www.vietnam.ttu.edu.

Please Participate in Preserving Your History

The Archive accepts donations as small as a single item or as large as hundreds of boxes. Donations do not have to be organized and do not have to pertain to a famous person, event, or organization. We accept all forms of original material, including papers, books, films, audiotapes, photographs, slides, negatives, artifacts, and maps. Material that is donated to the Archive does not circulate, meaning that it can not be checked out or leave the building for any reason. This ensures that the materials can be preserved for future generations. If you would like to donate to the Vietnam Archive, please contact us at the address and phone number at the top of the page or send an email to vietnamarchive@ttu.edu. Help ensure your legacy and the legacy of the Vietnam Helicopter Pilots Association by contacting us today.

SECTION I - Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 49,865 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2009. These 49,865 pilots include 2,235 Life, 11,040 General, and 26,273 Potential VHPA members - also 236 foreign pilots (FOR), and 727 American pilots who did not go to Vietnam (NOT). Also listed in *italics* are all pilots who have died including 2,191 who died in Vietnam (KIA), 151 who died during training (DDT), and 7,012 who have died after tour (DAT). **Details for all deceased pilots are at <http://www.vhpa.org>** Life Members are identified with an * following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses are not included in this publication but are online at <http://www.vhpa.org>

The VHPA needs everyone's assistance to make this roster accurate. There are 10,385 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.

SECTION III - Honorary Members

Terrie B Clark-DeDecker

Julie B. Kink

Terrie, the former wife of VHPA Founder, Larry Clark, was a key person in the conception of the VHPA. Julie, "little sister" of KIA WO1 David R. Kink, has supported the VHPA and the VHFCN by assisting family members of helicopter crewmen and pilots who were casualties of the Vietnam War.

U.S. Army Flight Training Class Index

This is important to remember - if you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at roush@vhpa.org

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 49,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered
KIA - Killed In Action
PRO - Potential VHPA Member

DAT - Died After Tour
LIF - Life Member of the VHPA
REG - General Member of the VHPA

DDT - Died During Training
DNV - Died, Not Vietnam
NOT - National Guard or Not Vietnam
FOR - Foreign pilot

Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 30,755 names of pilots for 698 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 388 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 66 Major Command units with a total of 1,536 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HNB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 868 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 237 Aviation units with a total of 18,466 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,219 VHPAers.

Medical Air Ambulance Units

This section consists of VHPAers who served with any Air Ambulance related unit without regard to Divisional relationships. Only two Medical Battalions (e.g. the 15th and the 326th) had organic Air Ambulance Platoons; so only those Med Battalions appear in this section. The presentation order for this section is numerical by Groups followed by Detachments, Companies, and Battalions. This presentation order shows 19 Medical units with a total of 866 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 120 Transportation and Maintenance units with a total of 1,174 VHPAers

Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at [redacted] or VHPA Headquarters at HQ@vhp.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,731 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered

KIA - Killed In Action

REG - General Member of the VHPA

DAT - Died After Tour

LIF - Life Member of the VHPA

NOT - Did not go to Vietnam

DDT - Died During Training

PRO - Potential VHPA Member
