LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2010 Membership Directory. It is the latest in a series of 27 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content, enjoyment and information.

Only a few hundred of this directory are being printed this year because the primary membership directory is now online at <http://www.vhpaservices.com>. Not only does the password protected online directory provide you with more information than this paper directory but it is also much more up to date. This paper directory is really obsolete by the time you receive it since we receive updates daily. The online directory is updated daily and contains information not found in this directory such as e-mail addresses, phone numbers, geographical index and details on our fallen both KIAs and those who have died since their tour in Vietnam (DATs). That information is also available at our main web site at <http://www.vhpa.org>

This directory is also available on CD-ROM. In addition to the information contained here, it contains e-mail addresses and phone numbers. If you would prefer to get the CD instead of the paper directory next year, please notify HQ. You can also buy one this year for \$20.

Now it's your turn to help make the Association grow. Go through this directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town who is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. Thanks for your efforts.

A special thanks to Gary Roush, Mike Law and Mike Sloniker for all their efforts in putting this directory together. We welcome your comments about this Directory.

Editor's Comments

We continue to add information as it becomes available. This year we have added additional addresses, flight class information and unit information. If we are missing your information, please let us know and we will include what you can provide.

This directory is also available on CD-ROM and on a password protected web site at <http://www.vhpa.org>. Producing a document like this is a daunting task, but dedicated volunteers make it happen. Please help us by providing additions, corrections and changes.

Enjoy this year's directory,

Gary Roush

VHPA Memorial Scholarship Fund Offers a Positive Legacy

When the Vietnam Helicopter Pilots Association began in 1983, there was little thought given to establishing a scholarship program for children and grand children of VHPA members. However, over the years, donations began to mount as individuals and units challenged each other to match their giving. In 1999 the amount of accumulated funds neared \$10,000 and the Executive Council decided something needed to be done. Several different ideas were evaluated to determine how the funds could be managed and invested so that someday a sufficient principle would exist to yield an annual scholarship. In addition, procedures necessary to solicit and select a scholarship recipient were discussed. Ultimately, it was determined that (1) not enough money to yield a significant scholarship was available and (2) the process of application and selection needed to be done in such a way that would be in keeping with very high standards and procedures.

Not wanting to "re-invent the wheel", the VHPA Executive Council sought and evaluated several organizations and companies that might qualify. Much was learned about foundations and companies capable of investing and administering the VHPA Memorial Scholarship Program. Finally, a clear choice emerged....it was obvious that the Army Aviation Association of America was the very best choice. An added bonus for the VHPA was that through the AAAA Heritage Program, AAAA would match the initial \$10,000 of the VHPA. By 2005 the combined total amounted to \$30,000+ which immediately funded the first \$1,000 VHPA Memorial Scholarship. Additional large donations at the 2006 Annual Reunion from the 361st ACE/AWC, "Pink Panthers" made a second scholarship possible beginning in 2007. For 2008 a third \$1,000 scholarship was added due to donations from the membership and the forth scholarship came in 2010. VHPA applicants are also eligible for most of the other AAAA scholarships as an added bonus. The scholarship partnership is a win-win situation for the VHPA and AAAA.

The AAAA Foundation has awarded individual scholarship grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. Interest-free loans of up to \$4,000 (\$1,000 a year) are also available. Any VHPA applicant or their father must be a member of AAAA, at time of application. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D Monroe, CT 06468-2830, telephone: 203- 268-2450 FAX: 203-268-5870 – EMAIL: aaaa@quad-a.org and return it to the AAAA Scholarship Foundation, Inc., on or before May 1 of the year of college entry. The postmark will govern. The applicant will be requested to provide additional supporting data. All scholarships are awarded on merit.

2010 Awards--For the 2010 competition, the AAAA received more than 380 applications and made 187 awards totaling \$279,500. The VHPA was privileged to award a fourth Memorial Scholarship in 2010. This year's recipients of the VHPA Heritage Scholarships of \$1,000 for one year are Madelyn Keyser who will be attending U. of PA, Mr. David J. Fulbrook who will be attending Virginia Tech Univ. & Rachel Koenig who will attend James Madison U. Selected again for the VHPA Memorial Scholarship—honoring the 361st Avn Co. "Pink Panthers" was Ms Kalyn Oden grand daughter of CW4 James Oden and she will be attending the University of Arkansas. In all, 18 VHPA related applicants received AAAA Scholarships.

Founded in 1989 by a group of local veterans, the Vietnam Center and Archive at Texas Tech collects, preserves, and makes available records of the Vietnam War. The Center and Archive has been the official repository for the VHPA since 1998 and welcomes all materials and perspectives concerning the war. We believe all of the sacrifices made during this period were significant and the individual collections and recollections of the men and women who participated in this event are equally important. All materials are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 2,000 collections containing an estimated 10 million pages of documentation in its manuscript collections, over 1,500 maps, and more than 100,000 photos and slides related to America's involvement in Vietnam.

Oral History Project

The Vietnam Archive is committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact us at (806) 742-9010 or via email at VAOralHistory@ttu.edu.

The Virtual Vietnam Archive

Since 2001, The Vietnam Archive has been placing many materials online to facilitate free and easy access through the Internet. Anyone can now visit the Virtual Archive and utilize thousands of documents, photographs, oral histories, and other materials through our website: www.vietnam.ttu.edu.

Please Participate in Preserving Your History

The Archive accepts donations as small as a single item or as large as hundreds of boxes. Donations do not have to be organized and do not have to pertain to a famous person, event, or organization. We accept all forms of original material, including papers, books, films, audiotapes, photographs, slides, negatives, artifacts, and maps. Material that is donated to the Archive does not circulate, meaning that it can not be checked out or leave the building for any reason. This ensures that the materials can be preserved for future generations. If you would like to donate to the Vietnam Archive, please contact us at the address and phone number at the top of the page or send an email to vietnamarchive@ttu.edu. Help ensure your legacy and the legacy of the Vietnam Helicopter Pilots Association by contacting us today.

SECTION I - Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 49,929 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2010. These 49,929 pilots include 2,273 Life, 11,126 General, and 25,811 Potential VHPA members - also 236 foreign pilots (FOR), and 738 American pilots who did not go to Vietnam (NOT). Also listed in *italics* are all pilots who have died including 2,189 who died in Vietnam (KIA), 151 who died during training (DDT), and 7,405 who have died after tour (DAT). **Details for all deceased pilots are at <http://www.vhpa.org>**. Life Members are identified with an * following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses are not included in this publication but are online at <http://www.vhpa.org>

The VHPA needs everyone's assistance to make this roster accurate. There are 10,630 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.

SECTION III - Honorary Members

Terrie B. Clark-DeDecker

Julie B. Kink

Terrie, the former wife of VHPA Founder, Larry Clark, was a key person in the conception of the VHPA. Julie, "little sister" of KIA WO1 David R. Kink, has supported the VHPA and the VHFCN by assisting family members of helicopter crewmen and pilots who were casualties of the Vietnam War.

U.S. Army Flight Training Class Index

This is important to remember - if you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at roush@vhpa.org

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 49,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered
KIA - Killed In Action
PRO - Potential VHPA Member

DAT - Died After Tour
LIF - Life Member of the VHPA
REG - General Member of the VHPA

DDT - Died During Training
DNV - Died, Not Vietnam
NOT - National Guard or Not Vietnam
FOR - Foreign pilot

Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 31,250 names of pilots for 699 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 388 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 66 Major Command units with a total of 1,542 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 891 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. 1 Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 236 Aviation units with a total of 18,695 VHPAers.

Cavalry Units

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,270 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 119 Transportation and Maintenance units with a total of 1,188 VHPAers

Australian, Korean, Laos, Philippines, and Thailand Helicopter Units

This section consists of VHPAers who served with either of the two Australian helicopter units or were helicopter pilots from the Australian or New Zealand military and serving in Vietnam. The Royal Australian Navy helicopter pilots who served with the 135th AHC "EMUs" and "TAIPANS" are listed with the Americans in the Aviation section of this index. Next the Korean and Philippines units are presented. If the VHPA had data on any Thai helicopter pilots, it would be presented here. This presentation order shows 8 units with a total of 26 VHPAers.

Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at gary@vhpahq.org or VHPA Headquarters at HQ@vhpahq.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,790 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered

KIA - Killed In Action

REG - General Member of the VHPA

DAT - Died After Tour

LIF - Life Member of the VHPA

NOT - Did not go to Vietnam

DDT - Died During Training

PRO - Potential VHPA Member
