2011 MEMBERSHIP DIRECTORY

VOLUME 28 • OCTOBER 2011

U.S. Army Flight Training Class Index

This is important to remember - if you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at [REDACTED]

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 49,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered
KIA - Killed In Action
PRO - Potential VHPA Member

DAT - Died After Tour
LIF - Life Member of the VHPA
REG - General Member of the VHPA

DDT - Died During Training
DNV - Died, Not Vietnam
NOT - National Guard or Not Vietnam
FOR - Foreign pilot

Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 32,054 names of pilots for 703 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 386 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 67 Major Command units with a total of 1,570 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 914 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 237 Aviation units with a total of 19,271 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,339 VHPAers.
