Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at [redacted] or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 34,302 names of pilots for 716 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 386 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 67 Major Command units with a total of 1,710 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 36 Artillery units with a total of 978 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 239 Aviation units with a total of 20,432 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,595 VHPAers.

Military Intelligence, Signal, and Logistics Units

This section consists of VHPAers who served with two relatively small organizations: any Military Intelligence or any Signal units. The presentation order is numerical by the MI Groups, the Signal Brigade level (e.g. STRATCOM) followed by the Signal Groups then the few Battalions that had helicopters. This presentation order shows 15 units with a total of 170 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 124 Transportation and Maintenance units with a total of 1,354 VHPAers

This section consists of VHAPers who served with either of the two Australian helicopter units or were helicopter pilots from the Australian or New Zealand military and serving in Vietnam. The Royal Australian Navy helicopter pilots who served with the 135th AHC "EMUs" and "TAIPANS" are listed with the Americans in the Aviation section of this index. Next the Korean and Philippines units are presented. If the VHAP had data on any Thai helicopter pilots, it would be presented here. This presentation order shows 8 units with a total of 41 VHAPers.

Military Service Index (Excludes USA Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,933 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.

The following status codes are used in this index:

BNR - Body Not Recovered
 KIA - Killed In Action

DAT - Died After Tour
 LIF - Life Member of the VHPA

DDT - Died During Training
 PRO - Potential VHPA Member

CONTINUED FROM PAGE 381.... hard decision to make, but it worked. The 24th NVA Regiment pulled back long enough for A Company 1/327 Infantry to be brought in by helicopter to reinforce the C Company positions.

With the arrival of A 1/327 Infantry, the 24th NVA Regiment began to retreat.

The soldiers of 1st Brigade (Separate) pursued the enemy and several large scale air attacks were called in. Hundreds of enemy soldiers were killed but the 24th NVA Regiment managed to escape into Laos.

In October and November, 1966, the 4th Infantry Division and 1st Cavalry Divisions were heavily engaged with enemy forces in the Kontum province. When it became clear that the enemy was attempting to withdraw into Laos, a massive helicopter airlift of the 1st Brigade (Separate), 101st Airborne Division landed just as the enemy was crossing into Laos and safety. The 1st Brigade (Separate) was ordered into reserve at Phu Yen.

In early 1967, the 1st Brigade (Separate) acted as a rapid reaction force, reinforcing American and South Vietnamese forces when necessary and responding to enemy attacks. They had become experts in rapid helicopter assaults.

In April of 1967, the 1st Brigade (Separate) was attached to Task Force Oregon and placed under operational control of the III Marine Amphibious Force and moved to Chu Lai. At Chu Lai, the 1st Brigade (Separate) assisted in a large-scale pacification effort in the Quang Tri province. Later, the 1st Brigade (Separate) was called in to assist a Marine battalion finish off an enemy attack around Khe Sahn, which would become the scene of a long bloody siege in 1968.

The 1st Brigade (Separate) was detached and waited for the arrival of the 2nd and 3rd Brigades of the 101st Airborne Division. While the 1st Brigade participated in **Klamath Falls**, its last combat operation as a separate brigade, the remainder of the division moved in December 1967 from Fort Campbell to Bien Hoa in operation **Eagle Thrust**. The operation made military history as the largest and longest airlift directly into a combat zone. Established at Bien Hoa on 13 December, the Screaming Eagles were ready for action. The entire Division (the Screaming Eagles) was united back in a combat zone in January 1968.

On January 31, 1968, the North Vietnamese launched the **Tet Offensive**. Tet, the traditional Vietnamese New Year Celebration, was supposed to be a peaceful time. The 101st Airborne Division, along with the 1st Cavalry Division and the 5th Marine Regiment, began to fight for control of the Hue City. Hue was considered vital to the Communist effort because of its history of Buddhist activism and Communist sympathy. The North Vietnamese felt that Hue would be their first political foothold into South Vietnam and committed Regular forces to its capture.

When Tet began, Hue was defended by South Vietnamese Army units who were quickly driven from the city. The 101st Airborne and the 1st Cavalry were sent to recapture the city.

The battle for Hue raged for three weeks and was the only extended urban combat of the war. Later, the 5th Marine Regiment would be called in to reinforce the 101st Airborne and 1st Cavalry. NOTE: THE FULL HISTORY IS ONLINE AT [HTTP://directory.vhpa.org](http://directory.vhpa.org)
