Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in *Vietnam Order of Battle*. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a 'military unit.' We added a 'roll-up unit' when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 35,725 names of pilots for 725 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 380 for a key to the status code abbreviation in front of the individual's name.

Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 68 Major Command units with a total of 1,775 pilots.

Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 38 Artillery units with a total of 1008 VHPAers.

Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. 1 Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 244 Aviation units with a total of 21,152 VHPAers.

Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,775 VHPAers.

Military Intelligence, Signal, and Logistics Units

This section consists of VHPAers who served with two relatively small organizations: any Military Intelligence or any Signal units. The presentation order is numerical by the MI Groups, the Signal Brigade level (e.g. STRATCOM) followed by the Signal Groups then the few Battalions that had helicopters. This presentation order shows 14 units with a total of 168 VHPAers.

Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 124 Transportation and Maintenance units with a total of 1,390 VHPAers

U.S. Marine Corps Units

This section consists of VHPAers that served with any U.S. Marine Corps helicopter related unit. The presentation order is the 1st Air Wing followed by the three Air Groups with their respective H&MS and HM* Squadrons in numerical. The VMOs appear last. It was common for multiple tour Marine pilots to fly with fixed wing squadrons; but these squadrons are not included in this section. This presentation order shows 40 units with a total of 1,962 VHPAers

Australian, Korean, Laos, Philippines, and Thailand Helicopter Units

This section consists of VHPAers who served with either of the two Australian helicopter units or were helicopter pilots from the Australian or New Zealand military and serving in Vietnam. The Royal Australian Navy helicopter pilots who served with the 135th AHC "EMUs" and "TAIPANS" are listed with the Americans in the Aviation section of this index. Next the Korean and Philippines units are presented. If the VHPA had data on any Thai helicopter pilots, it would be presented here. This presentation order shows 8 units with a total of 40 VHPAers.

Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 7,998 names in this index must be used with Section I, Members & Potential Members, to find the address for a living Vietnam Era pilot.
