LETTER FROM YOUR EXECUTIVE COUNCIL

Dear VHPA Member,

Here is your 2021 Membership Directory. It is the latest in a series of 38 annual directories produced for you by dedicated member volunteers, members just like yourself. We trust you will find it an interesting, informative and beneficial piece of your membership package in VHPA. Along with the six VHPA AVIATOR magazines produced and sent to you during the calendar year, your VHPA publications are second to none in quality, content and information.

Only a couple hundred of this directory are being printed this year because the primary membership directory is online at www.vhpa.org. Not only does the password protected online directory provide you with more information than this paper directory, it is also much more up to date. This paper directory is really obsolete by the time you receive it since we make contact information changes daily. The online directory is updated each business day and contains information not found in this directory such as e-mail addresses, phone numbers, geographical index and details on our fallen both KIAs and those who have died since their tour in Vietnam (DATs). That information is also available on our main web site at www.vhpa.org

The CD-ROM version of this directory is no longer being produced as CD drives are no longer available in most modern appliances including laptops.

Now it's your turn to help make our Association grow. Go through this directory, find the name of a guy you went to flight school with, a buddy you served with in Vietnam, a pilot you flew with after returning home, a pilot you knew in the National Guard or Reserve, somebody you met since leaving the service or a resident who lives in your home town who is not a member of VHPA and contact him. Tell him about VHPA and encourage him to join. Thanks for your efforts.

A special thanks to Gary Roush, Mike Law and Greg Pattillo for all their efforts in putting this directory together. We welcome your comments about this Directory.

This year's Membership Directory is a tribute to all who served in or around the 161st Assault Helicopter Company (AHC) from its 1 September 1965 activation to its inactivation on 15 January 1968 plus its 'descendants' ~ specifically Company A and the Aero Scout Company of the 123rd Aviation Battalion.

All of the photos, patches, and 'miniature pages' shown on the **Front and Back Covers** are from VHPA Member Garland Lively's and VHPA Subscriber John Hastings' collections gathered from dozens of 161st veterans and published in the ***Our Helicopter War*** book with appropriate permissions. Garland and John also provided the VHPA with permissions to republish pieces of the ***Our Helicopter War*** book. VHPA Member Jeff Peacock provided at least three photos. Bob Anderson's younger sister provided the photo of her KIA brother. The patches are also part of the VHPA Calendar Project's collection. VHPA Members Thomas Bobbitt, Langdon Carpenter, and Lester Cone separately provided their collections to Garland as did former 161st and A/123rd enlisted men Dave Heinemeyer and Ray Cusato.

VHPA Directory committee member, Mike Law, designed and prepared the Front and Back Covers.

Directory Committee Credits

Mike Law provided the software, instructions, and basic design for this publication. Mike also designed the cover and the history section. Greg Pattillo, Techsolent, LLC, provided the manpower and technical expertise to update and build this directory using updated software and techniques.

VHPA Scholarship Program Ensures a Solid Legacy

When the Vietnam Helicopter Pilots Association began in 1983, little thought was given to establishing a scholarship program for children and grand children of VHPA members. The VHPA Executive Council evaluated several organizations, companies and foundations and the Army Aviation Association of America Scholarship Foundation was deemed the very best choice. An added bonus was that the AAAA Heritage Program would match the initial \$10,000 of the VHPA. By 2005 the first \$1,000 VHPA Memorial Scholarship was awarded. Additional large donations at the 2006 Annual Reunion from the 361st ACE/AWC, "Pink Panthers" made a second scholarship possible beginning in 2007. Today the VHPA is currently providing 10 (ten) \$2,500 scholarships and is the third largest endowed funds group within the AAAA Scholarship Foundation. This partnership is a win-win situation for the VHPA and AAAA.

The AAAA Foundation awards individual scholarships and grants each year, ranging from \$1,000 to \$15,000 given out as one, two or four year scholarships. In 2021 a total of 53 VHPA kids/grandkids were awarded a scholarship. Each scholarship ranged from \$1,000 to \$5,000. To qualify all VHPA applicant, father or grandfather must be a member of AAAA, at time of application plus the father or grandfather must be a dues current VHPA member, also. To apply, request a Scholarship Grant/Loan Application from the AAAA Scholarship

- (3) Jackson Galvan, Grandchild of CW3 Jackson Rainwater, attending Texas Tech. Univ.
- (4) Dylan Mallon , Grandchild of COL Danny Cox; attending Univ. of Ga (Selected for the VHPA Memorial Scholarship honoring the 361st Avn Co. "Pink Panthers")
- (5) Benicio Beatty, Grandchild of CW5 Donald Beatty, attending Brown Univ.

Founded in 1989 by a group of local veterans, the Vietnam Center and Archive at Texas Tech collects, preserves, and makes available records of the Vietnam War. The Center and Archive has been the official repository for the VHPA since 1998 and welcomes all materials and perspectives concerning the war. We believe all of the sacrifices made during this period were significant and the individual collections and recollections of the men and women who participated in this event are equally important. All materials are preserved in keeping with modern archival practices and procedures to ensure they remain available for future generations. Currently, the Archive has over 2,000 collections containing an estimated 10 million pages of documentation in its manuscript collections, over 1,500 maps, and more than 100,000 photos and slides related to America's involvement in Vietnam.

Oral History Project

The Vietnam Archive is committed to preserving the history of the Wars in Southeast Asia from the perspective of the participants through the Oral History Project. If you are interested in being interviewed, contact us at (806) 742-9010 or via email at VAOralHistory@ttu.edu.

The Virtual Vietnam Archive

Since 2001, The Vietnam Archive has been placing many materials online to facilitate free and easy access through the Internet. Anyone can now visit the Virtual Archive and utilize thousands of documents, photographs, oral histories, and other materials through our website: www.vietnam.ttu.edu.

Please Participate in Preserving Your History

The Archive accepts donations as small as a single item or as large as hundreds of boxes. Donations do not have to be organized and do not have to pertain to a famous person, event, or organization. We accept all forms of original material, including papers, books, films, audiotapes, photographs, slides, negatives, artifacts, and maps. Material that is donated to the Archive does not circulate, meaning that it can not be checked out or leave the building for any reason. This ensures that the materials can be preserved for future generations. If you would like to donate to the Vietnam Archive, please contact us at the address and phone number at the top of the page or send an email to vietnamarchive@ttu.edu. Help ensure your legacy and the legacy of the Vietnam Helicopter Pilots Association by contacting us today.

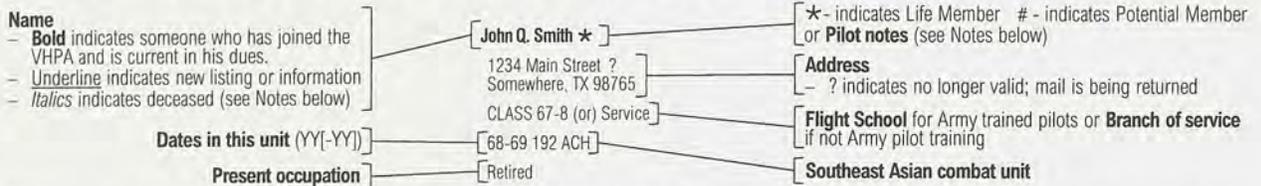

SECTION I Members, Potential Members, and Deceased Pilots

The following roster is an alphabetical listing (by last then first name) of all 50,129 helicopter pilots who were trained to fly helicopters during the Vietnam Era and were known to the VHPA as of 15 August 2021. These 50,129 pilots include 7,528 Life, 5,848 General, and 21,068 Potential VHPA members - also 237 foreign pilots (FOR), and 1,082 American pilots who did not go to Vietnam (NOT). Also listed in italics are all pilots who have died including 2,167 who died in Vietnam (KIA), 156 who died during training (DDT), and 12,280 who have died after tour (DAT). **Details for all deceased pilots are at www.vhpa.org.** Life Members are identified with an ***** following his name. All VHPA members who are "active" (either Life Members or General Members current with their VHPA membership dues) appear with their names in **bold print**. All VHPA General Members whose annual membership dues are not current and all pilots who have not yet joined the VHPA (Potential Members) appear with their names in normal print. All Potential Members have a large # following the name. Underlined names indicate that the information is new or changed since the last directory. E-mail addresses and phone numbers are not included in this publication but are online at www.vhpa.org

The VHPA needs everyone's assistance to make this roster accurate. There are 9,501 pilots whose addresses are missing or marked with a question mark (VHPA's mail is being returned). Please send additions or corrections to VHPA Headquarters or the database committee.

THIS MEMBERSHIP DIRECTORY IS PUBLISHED FOR THE INFORMATION OF VHPA MEMBERS ONLY. USE OF THIS ROSTER FOR ANY TYPE OF SOLICITATION IS PROHIBITED. THIS ROSTER WILL NOT BE DISTRIBUTED TO NON-VHPA MEMBERS.
