## VIETNAM HELICOPTER PILOTS ASSOCIATION VOLUME 38 - OCTOBER 2021

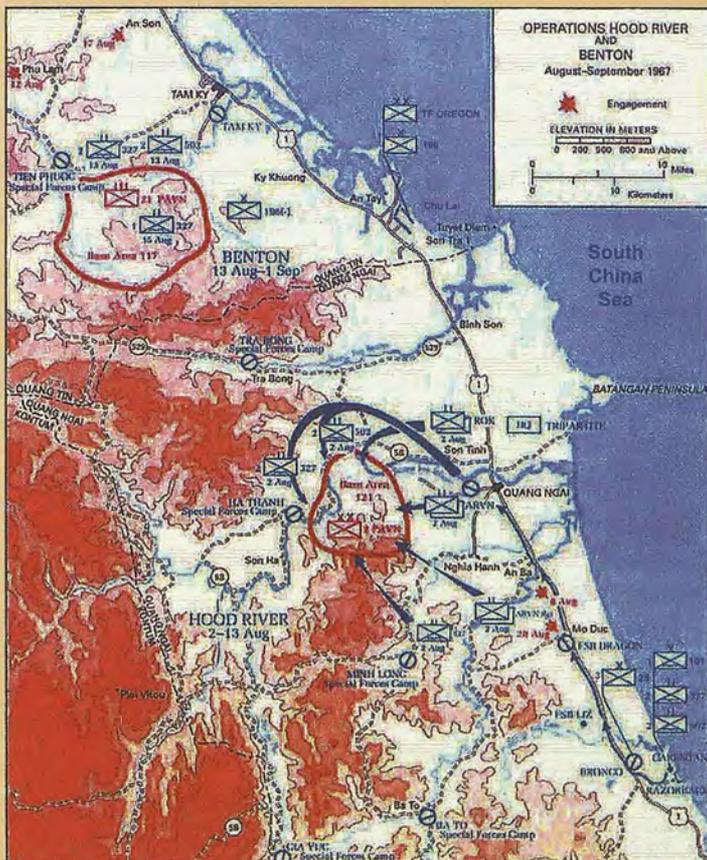

### Our Helicopter War The 161<sup>st</sup> Assault Helicopter Company

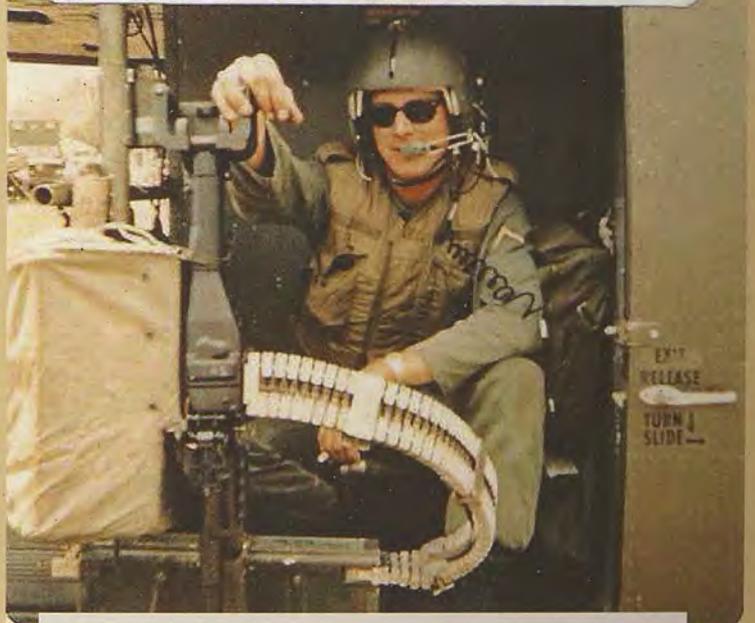

Members of  
1<sup>st</sup> Aviation Brigade,  
Americal Aviation Companies  
and MACV SOG

Compiled By  
Garland R. Lively  
with John H. Hastings

H. V. Chapman & Sons  
Abilene, Texas

Bob in his position as  
helicopter crew chief  
July 1967

Robert 'Andy' Douglas Anderson  
KIA 29 September 1967

# U.S. Army Flight Training Class Index

This is important to remember - if you were trained by the U.S. Army but your VHPA record does not contain a valid flight class code, you will not appear in this index. It is also important to remember that each VHPAer can have up to two flight class codes. For the majority, two are enough - one for the Primary Training (e.g. Ft. Wolters) or initial fixed wing training and one for the Advanced Training (e.g. Ft. Rucker or Hunter - Stewart) or a helicopter qualification course. For those who were in more than two flight classes, we use the two representing completion of basic and advanced training. Please report any corrections to VHPA Headquarters or Gary Roush at roush@vhp.org

The order for Army trained pilots is flight class number and then alphabetical by last name and first initial. This index was built by extracting information from the VHPA Membership database for all living Vietnam Era pilots (without regard to membership status), all pilots in the VHPA KIA database, and all pilots in the VHPA DAT/DDT database (pilots who died training to go to Southeast Asia or who died after returning from service in Southeast Asia) and known to the VHPA as of this year's Directory cutoff date. Also DNV for those pilots who never went to Vietnam because of assignments elsewhere and have died. Naturally, the names in this index must be used with the full Members & Potential Members Roster section to retrieve the full address for a living Vietnam Era pilot.

Special provisions have been made for officers from other services (e.g. Marine Corps and Air Force) who were members of Army flight classes; they are listed in this index as well as the Branch of Service index to follow. A special note is added to each record to make this possible.

To make flight class lists as complete as possible, this index now contains over 49,000 entries including National Guard and foreign pilots trained by the Army but who never went to Vietnam. Please send additions or corrections to us. The following status codes are used in this index:

BNR - Body Not Recovered  
KIA—Killed In Action  
PRO—Potential VHPA Member

DAT - Died After Tour  
LIF—Life Member of the VHPA  
REG—General Member of the VHPA

DDT - Died During Training  
DNV—Died, Not Vietnam  
NOT—National Guard or Not Vietnam  
FOR - Foreign Pilot

# Combat Unit Index

The Combat Unit Index provides the Membership with an easy way to locate the number and names of pilots who served with any given Southeast Asian unit during the Vietnam War. Naturally, the names in the index must be used with the full Members and Potential Members section to retrieve the full address.

The presentation order generally follows the one used by Shelby Stanton in Vietnam Order of Battle. There are four levels in Stanton's presentation order. First, U.S. Army units followed by all other U.S. military services and finally all allied forces. Second, higher commands in ascending numerical order (e.g. 1st Cav Div, 1st Inf Div, 4th Inf Div) followed by subordinate units. Third, U.S. Army subordinate units are ordered alphabetically by logical branch (e.g. Artillery, Aviation, Cavalry, Engineer). Fourth, units from other military services. Civilian aviation companies are considered a "military unit." We added a "roll-up unit" when that was needed. For example, each battalion sized unit had a Headquarters plus two or more letter (A, B, C) units but if the VHPA database contains only the battalion name rather than a specific unit name, this individual is assigned to the "roll-up unit" for that battalion.

**It is important to remember - each pilot in the VHPA database can have up to eight Combat Units and each unit is decoded and sorted separately. However, if we can not decode the unit (maybe because it is not properly entered into the database or maybe because we currently do not know what that unit code means); it is NOT included in this index.** Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org

The presentation rules listed above for the membership, DAT and KIA databases resulted in 36,968 names of pilots for 730 unique "units." The Directory Committee welcomes comments concerning ways to make this index more meaningful in future editions. Please send your comments to VHPA Headquarters: ATTN: Please see page 378 for a key to the status code abbreviation in front of the individual's name.

## Major Commands

This section consists of VHPAers who were POWs followed by the Major Commands. Please remember the 23d Inf Div was also known as the Americal Div. The reasons for listing the POWs first are: they "paid some serious dues" and we did not have another place to put their "unit" within this presentation. This presentation order shows 68 Major Command units with a total of 1,833 pilots.

## Artillery Units

This section consists of VHPAers who served with any Artillery unit believed to have had or to have controlled helicopters. The various Field Force level Commands (e.g. IFFV, XXIV Corps) were listed in the Major Commands section.

The presentation order for this section is numerical by Artillery Group, then by Battalion / Artillery Regiment. The HHB appears first followed by letter Batteries within Battalions. Each Artillery Battalion that had helicopter related letter Batteries (e.g. 4/77th ARA) has a "roll-up unit" for everyone we can not assign to a specific Battery. This presentation order shows 38 Artillery units with a total of 1,061 VHPAers.

# Aviation Units

This section consists of VHPAers who served with any Aviation unit without regard to Divisional relationships. The Aviation Section for the various Infantry Brigades (e.g. 2d Bde 9th Inf Div or 173d Abn Bde) are listed in the Major Commands section. Aviation related Transportation Corps units are listed in the Transportation Corps Section. Security related Aviation units are listed simply as Aviation units within this section.

The presentation order for this section is numerical by Group, then by Battalion (HHC first followed by letter Companies if appropriate), and then the Aviation Companies and separate Detachments. Each Aviation Group and Battalion (e.g. 4th Avn Bn) has a "roll-up unit" for everyone we can not assign to a specific Company. At the end of this section you will find all the NETTs (New Equipment Training Teams) and units that did not have numerical names (e.g. I Corps Avn or UTT). Many VHPAers, with more than one tour, flew with fixed wing aviation units; so those units are listed in this section. This presentation order shows 245 Aviation units with a total of 21,876 VHPAers.

# Cavalry Units

This section consists of VHPAers who served with any Cavalry unit without regard to Divisional relationships. Even though the 11th Armored Cavalry Regiment was a Major Command, it is listed in this section. Aviation units (e.g. the 227th Avn Bn) that flew for the 1st Air Cav are listed in the Aviation Section. Any Transportation Corps maintenance units (e.g. the 412th TC Det that was attached to C/7/17th Cav) are listed in the Transportation Section.

The presentation order for this section is numerical by Cavalry Regiment, then by Squadron (HHT first followed by letter Troops if appropriate), and then the Cavalry Troops. Each Squadron (e.g. 1st Sqdn 10th Cav) has a "roll-up unit" for everyone we can not assign to a specific Troop. Since it was possible of helicopter pilots to serve at the Squadron level in a "ground Squadron" (e.g. 1/10th Cav was a "ground" Sqdn but its D Troop was an Air Cav Troop); VHPAers with Sqdn level codes are listed in this section. However, VHPAers with "pure ground" Troop codes (e.g. D/7/17th Cav) are not listed in this section. This presentation order shows 56 Cavalry units with a total of 5,876 VHPAers.

# Medical Air Ambulance Units

This section consists of VHPAers who served with any Air Ambulance related unit without regard to Divisional relationships. Only two Medical Battalions (e.g. the 15th and the 326th) had organic Air Ambulance Platoons; so only those Med Battalions appear in this section. The presentation order for this section is numerical by Groups followed by Detachments, Companies, and Battalions. This presentation order shows 22 Medical units with a total of 1,035 VHPAers.

## Military Intelligence, Signal, and Logistics Units

This section consists of VHPAers who served with two relatively small organizations: any Military Intelligence or any Signal units. The presentation order is numerical by the MI Groups, the Signal Brigade level (e.g. STRATCOM) followed by the Signal Groups then the few Battalions that had helicopters. This presentation order shows 15 units with a total of 182 VHPAers.

## Aviation Maintenance, Transportation and Support Units

This section consists of VHPAers who served with any Transportation unit without regard to Divisional relationships. All the "original" CH-21 Transportation Corps units that were redesignated Aviation units (e.g. the 8th TC Co became the 117th Avn Co and the 45 TC Bn became the 145 CAB) are listed in this section. All Transportation Corps maintenance Detachments (e.g. the 412th TC Det that was attached to the C/7/17th Cav) are listed in this section. The "pure" Maintenance Battalions (e.g. the 709th MNT in the 9th Inf Div) are listed in this section. The presentation is numerical by Battalion, Company, or Detachment. Please remember the 1st TC Bn was resident on the USNS Corpus Christie Bay. This presentation order shows 125 Transportation and Maintenance units with a total of 1,474 VHPAers.

# U.S. Navy Units

This section consists of VHPAers that served with any U.S. Navy helicopter related unit. The presentation order starts with our Delta Huey brothers, HA(L)-3, and then covers those that flew SAR and support from the big boats off the coasts of South and North Vietnam. This presentation order shows 44 units with a total of 508 VHPAers.

# U.S. Marine Corp Units

This section consists of VHPAers that served with any U.S. Marine Corps helicopter related unit. The presentation order is the 1st Air Wing followed by the three Air Groups with their respective H&MS and HM\* Squadrons in numerical. The VMOs appear last. It was common for multiple tour Marine pilots to fly with fixed wing squadrons; but these squadrons are not included in this section. This presentation order shows 40 units with a total of 2,029 VHPAers

## Australian, Korean, Laos, Philippines, and Thailand Helicopter Units

This section consists of VHPAers who served with either of the two Australian helicopter units or were helicopter pilots from the Australian or New Zealand military and serving in Vietnam. The Royal Australian Navy helicopter pilots who served with the 135th AHC "EMUs" and "TAIPANS" are listed with the Americans in the Aviation section of this index. Next the Korean and Philippines units are presented. If the VHPA had data on any Thai helicopter pilots, it would be presented here. This presentation order shows 8 units with a total of 49 VHPAers.

# Military Service Index (Excludes US Army)

This is important to remember - if your branch of service was the US Army or your VHPA record does not contain a valid branch code, you will not appear in this index. Currently each VHPAer can only have one branch of service code. If, for example, you flew helicopters for the Navy and Marines, you must choose which one is more important to you for the purposes of this index. As a general rule, the military service that trained you as a helicopter pilot is the one used by the VHPA. Air America is treated as both a unit and a service. Pilots who served with Bird Air, Continental Air Service, Evergreen, etc. are listed in the Civilian section. Please report any corrections to Gary Roush at roush@vhpa.org or VHPA Headquarters at HQ@vhpa.org.

This index was built by extracting information from the VHPA Membership data base for living Vietnam Era pilots without regard to membership status, pilots in the VHPA KIA data base, and pilots who died during training or who died after returning from Southeast Asia and who are known to the VHPA as of 15 August. The 8,191 names in this index must be used with *SECTION I Members, Potential Members, and Deceased Pilots*, to find the address for a living Vietnam Era pilot.

## Announcement concerning the 2022 VHPA Membership Directory

121<sup>st</sup> Avn Association Logo

Viking 'patch' painted on helmet

The cover photos and history section of the 2022 VHPA Membership Directory will feature the 121<sup>st</sup> Assault Helicopter Company plus its predecessor and attached/supporting/co-located units from December 1961 to December 1970.

The 93<sup>rd</sup> Transportation (Light Helicopter) Company and the 80<sup>th</sup> Transportation (FM) Detachment departed from Rhode Island in December 1961 and landed in Da Nang from the USS Princeton in January 1962. In September 1962, the 93<sup>rd</sup> and its attached units relocated to Soc Trang and the USMC HMM-163 (CH-34 equipped squadron) plus a sub-unit of MABS-16 (about 200+ support personal) relocated to Da Nang. In short order the Army would need to post several support units to Soc Trang for the 93<sup>rd</sup>. Some of the attached/support/co-located units were:

18 <sup>th</sup> Airfield Operation Det	Det D, 18 <sup>th</sup> Airfield Operation	Det P, 125 <sup>th</sup> ATC
134 <sup>th</sup> Medical Det	82 <sup>nd</sup> Medical Det	2 <sup>nd</sup> Medical Dispensary
41 <sup>st</sup> Medical Dispensary	36 <sup>th</sup> Dental Det	82 <sup>nd</sup> Dental Det
257 <sup>th</sup> Signal Det	Det 6, Delta Signal Co	Det 7, 232 <sup>nd</sup> Signal Co
Det 7, 1964 <sup>th</sup> Comm Grp	Det 3, 41 <sup>st</sup> Signal Bn	Det 7, 362 <sup>nd</sup> Signal Co
D Co, 52 <sup>nd</sup> Signal Bn	Det 7, 247 <sup>th</sup> Signal Co	Long Lines Signal Det
5 <sup>th</sup> Quartermaster Det	Det 7, 30 <sup>th</sup> Weather Sqd	Det 7, 5 <sup>th</sup> Weather Sqd
13 <sup>th</sup> Aviation Plt (Prov)	5 <sup>th</sup> Machine Gun Plt	Aerial Door Gunner Plt
Det D, 560 <sup>th</sup> Military Police Co	Det L, 212 <sup>th</sup> Military Police Det	Det T, 212 <sup>th</sup> Military Police Det
13 <sup>th</sup> Security Plt	69 <sup>th</sup> Infantry Det	78 <sup>th</sup> Artillery Det
Det 10, 8 <sup>th</sup> Aerial Port	Det 7, 11 <sup>th</sup> Air Postal Grp	

In January 1963, the 93<sup>rd</sup> was presented with a fifteen-week old Bengal Tiger they named "Tuffy." Although Tuffy only stayed with the unit until June 1963, his legacy was the name **The Soc Trang Tigers**. Also in June 1963, the 93<sup>rd</sup> was redesigned the 121<sup>st</sup> Aviation Company (Air Mobile Light).

Initially the 93<sup>rd</sup> was part of the 45<sup>th</sup> Transportation Battalion; in May 1963 it was transferred to the Delta Aviation Battalion (Provisional) that became the 13<sup>th</sup> Aviation Battalion in September 1964.

The two transport platoons used the WHITE TIGER and BLUE TIGER radio calls. The gunship platoon used VIKING and the maintenance folks used WRECKER.

For more than a decade, the 121<sup>st</sup> AVN Association, [www.121avn.org](http://www.121avn.org), has compiled an impressive collection of photos, documents, and 1st person accounts from more than 138 individuals. Contact Bob Greene, [bojogreene@gmail.com](mailto:bojogreene@gmail.com), or 703-851-2252 to contribute. Also see the 121<sup>st</sup> Aviation Association Collection (2273) in The Virtual Vietnam Archive (VVA) at the Vietnam Center and Archive at Texas Tech in Lubbock.
