The Secretary of the Army, Honorable Stanley R. Resor recently visited the Americal Division. In a letter to General Gettys, Mr. Resor made the following remarks about the men of the Division:

I enjoyed very much my visit with you and the members of the Americal Division. The briefings were well prepared and I was greatly impressed with the caliber of your people and the job they are doing. It was particularly impressive to visit your LZ's and to observe the determination and tenacity of the foot soldier in the difficult jungle fighting that characterizes your operations.

My heartiest congratulations on the progress being made by the Americal Division. I found it most encouraging.
