## Impact Sounds Collection

In this **Impact Sounds Collection** there are 196 body falls, arrow swooshes, explosions and junk crashes in this collection of high quality impact sound effects.

Atomic blasts, fireballs and flame throwers, flesh impacts, punches and body swishes.

**This is a must have in every sound designer's library of sound effects collections.**

## Punch 'n' Stab iPhone App

### Street Fight Simulator

Simply hold your iPhone sideways with the screen up and thrust forward to trigger the power punch sound effect. Then hold your iPhone forward, like a knife, with the screen up and thrust forward to hear the steal-y slash of metal connecting with a gory flesh wound.

Comes with cool action music soundtracks
