Anthology Part 1

January 30, 2010

I uploaded the CH-47 Chinook sounds, the very big twin rotor hlicopter.

At 3:00 minutes, add a footer in lower left corner, "Marine Fire Support Base Rockpile 1967 – 1969

When Hamburger Hill starts, around 17:00, have a footer when the first newsmen starts talking, Words of a CBS News anchor,

When Gen Zaius stars talking: "Words of Lt. Gen. Melvin Zaius"

When Eric Serereid follows, "words of CBS News Analyst Eric Severeid"

At time 20:00 showing the enemy fighting position, a "Enemy fighting position

At 22:00 show jets dropping bombs, use sound effects, Disk AZ 1-07-2 for jets and AZ 4 – 68 – 3 for bomb

Use the followingHowitzer shooting sounds AZ 4 75-4, AZ 4 – 75-1, AZ4- 75- 2, AZ 4 - 75-1

At 27:40 Show jets and bomb blasts

Can't have it look like the howiter shell made a bomb explosion. The howitzer shell weighs 14 pounds, the bombs weigh 125 pounds.

For bomb SFX use AZ 4 - 68-1, 2, 3 and 4

At 28:16 add jets and bombs back in with SFX

29:45 Mortar fires AZ 4 – 70 - 1

At 30:37 incoming explosion use AZ 4-73-3 Very loud max decibel level

At 31:08 use 105 sound AZ 4 -75-4 and repeat with AZ 4 - 75-3

At 32:00 continue the melancholy music

At 32:28 use SFX 4-73 – 3

At 32:55 extend Ripcord video

At 38:00 ask me for the photograph on the ground

I need to be there with you to replace the audio and video for run tio 38:20

I want to use the ColorLab version of my OH58-A start up with the two stage engine sequence AZ 1 trk 15-1 and 1-17-1 at firebase

I want to replace the Huey starting sequence with the start up and AZ 1 -18-2,\

Huey in flight with AZ 1 -21-4,

At 38:20 add Huey sounds AZ a 1-21-5

Need to delete scenes for Ch-47 and CH-54, both are lifing Hueys for carry to repair base.

ANTHOLOGY PART II

Starting at rear of document so as to minimize time code disruption

Close: At the voice of Dennis Fujii, "the NVA is in th perimeter" replace enemy artillery footage with NVA assault

Prior to close before Linebascker 1 and2, add
