***Note: Researchers for hire are not NARA employees. Any individual or company that does research in our holdings on behalf of others is free to join the listing. For information on how to get on the Independent Researchers for Hire lists, see the [Opportunity for Independent Researchers](#) page.**

Inclusion on the independent researcher lists should not be viewed as an endorsement of the quality of the researchers' work, and NARA will not be responsible for any arrangement made with independent researchers. Such arrangements, including the character, extent, and cost of the work, are purely private, contractual matters between the independent researcher and you. It also is up to you to determine whether or not the researcher's experience and qualifications meet your needs. Comments or complaints received by NARA regarding any individual independent researcher on the listing will be forwarded to that researcher for resolution.
