When I think of all of us, especially those of us on the Wall, I usually don't think of "distinguished". I still see in my mind's eye, hot-shot, gung-ho twenty-something warriors, ready to go out and kick ass.

Then I look in the mirror and see - I am not sure I would call it "Distinguished - this "old guy" is staring back at me. The inside is still the same - the shell has changed.

When I think of our fallen comrades, I think of them as "forever young", vibrant, dynamic, ALIVE, and it makes it a little easier sometimes.

I keep the VHPA calendar on my wall here at work, so I can remember every day, and today we toast the memories of:

- MAJ Martin
- CPT Fleming
- WO1 Mitchell
- CPT Brockman
- CPT Saffle
- 1LT Hasper
- CW2 House

Who all paid the ultimate sacrifice on this date during "our" war.

Thanks Mike for sharing this very special day. As a member of a family who lost someone in Vietnam, I can say that the presence of all the Vietnam veterans there yesterday must have meant more to them than they could possible ever express. It is an everlasting reminder and comfort to me that our brothers (sons and fathers) have not been forgotten and will be forever honored. I am sure the families there Friday felt the same way.

The pictures were clear and came through great! Thank you Mike Sloniker for all you do.
