Flights....The attached message from Paul Brown tells of the serious illness of his old friend and crew chief, "Dutch" Covert.

Dutch, an Associate Member of the VHPA of Florida Chapter, and Paul met again, after 27 years, two years ago at the Vietnam Veterans Reunion in Melbourne, FL.

Dutch was Paul's crew-chief and gunner in D Company, 227th AHB, 1st Cav Div, '70-'71. He also served in E Troop, 1/9th Cav, earlier in his Vietnam tour of duty.

I was in the room when these two Warriors met and renewed their friendship after all those years. The warmth and love between them was very moving to me, as I watched and listened as they looked at old photos and remembered many missions, good and bad.

Now Dutch needs our support and prayers.... please send your cards and letters to him at: 6031 Swinden Lane, Ft. Lauderdale, FL 33331

Subject: One of the guys needs support

We just received word yesterday that Dutch has cancer of the brain and is down in his chest also. Dutch is one of those guys that would give you the shirt off his back in the middle of winter and never complain of the cold. He has been having trouble speaking for several months, and has been under quite a series of tests to figure out why he couldn't speak above a whisper. He is suppose to go in for a biopsy one day next week. He is a fighter and if anyone can lick this he will.

The news today was devastating but he seems in good spirits. Naturally his wife is having trouble with the diagnosis. It is one of those words a wife and mother never wants to hear. Our prayers and thoughts are with him and his family at this time. although he would never ask, or want sympathy, I know the guys on the net would be highly upset if something happened to him and no one knew.

Just a short note in the mail or a card of support would help the entire family, and of course a prayer wouldn't hurt either.

We know you are one the net and know the guys in the state org. so would appreciate it if you could let some of them know.

Paul
